ANTIOCH TOWNSHIP ASSESSMENT ROLL FOR 1972

The assessment roll of Antioch Township as certified by the Supervisor of Assessments appears on page 11 of this issue of the Antioch News. Every property owner of Antioch Township should make it a point to check the amount of his assessment.

Any property owner who objects to the amount of his assessment should file a complaint with the Board of Review, Room 603, Lake County Administration Building, Waukegan, Illinois WITHIN TEN DAYS from the date of publication of this assessment roll.

CANDIDATES VIEWS ON EDUCATIONAL PROBLEMS page 4

THUNDERBAY DEVELOPMENT VS ANTIOCH SCHOOLS

Like most school systems the Antioch Schools are faced with a variety of problems. These problems include financial debts, space shortages, and referendum failure. The schools newest problem has come in the form of a proposed housing development, namely the "Thunder Bay Development."

The village of Lindenhurst is to be the site of the new development and will be located on the east side of Beck Road and south of Millburn Rd.

The Thunder Bay development can best be described as a cluster of town houses that will be individually owned. If the proposed plans are approved their construction will begin

next summer.

The proposed development is not a minor one, since it will consist of approximately 800 units and therefore involve 800 new families. This will of course increase the enrollment in our schools.

Noting this, Mayor Flanagan appointed a special committee at the August Village meeting to investigate the impact of the proposed Thunder Bay Development on the area school districts. These districts include the Antioch Grade School District 34, The Antioch High School District 117, and the Millburn Grade School District 24.

After almost two months of

study, the committee has accomplished an indepth investigation of the ESI Land Technology study, and has attempted to identify the many problems of the various school districts.

According to the impact analysis, Thunder Bay will generate 141 students to attend the Oakland Grade School. This school is already at maximum capacity. It will also generate 59 students for the Antioch Upper Grade School, a school faced with at least three other Planned Unit Development proposals.

Thunder Bay will generate 431 students to attend the Millburn school, an increase over the

present enrollment of 261 percent. Present facilities are inadequate for this increase in enrollment.

Thunder Bay will also generate 315 students to attend the Antioch High School. This increase will put the High School within 62 students of its absolute maximum capacity. The high school is also faced with three other development proposals.

The committee concluded that the Thunder Bay development will cost the area school districts over \$2,800,000 in necessary expansion of present facilities. There will also be a one-time increase in operational expenses of almost \$500,000 with no off-setting tax income. There will be a continuing loss to the Millburn Grade School of almost \$15,000-year.

There must be some way to totally or partially eliminate these expenses to the school districts. Possible solutions may include:

- the construction of a grade school in or near the Thunder Bay site
- the elimination of a number of units, and their replacement with income generating property such as a small shopping plaza or light industry
- an increase in the price of the units to increase tax income
- the allocation of the expansion expenses to the units on an expected student impact basis.

The committee asks that ESI give every consideration to the problems of the school districts, and assist us in every way to make this a profitable development.

Antioch's own Bill Brook, receives the annual ELLAphant award which is presented annually for outstanding service to the Republican party. With Bill Brook is Ed Kucharski, Assistant Secretary of State, who was the main speaker of the evening at the Republican Golf Outing and Banquet, September 27, at the Antioch Country Club; and Elroy K. Anderson, President of the Antioch Township Republican Club who served as master of ceremonies. (staff photo)

BILL BROOK RECEIVES ELLA AWARD

Elroy K. Anderson, pres. of the Antioch Township Republican Club, served as Master of Ceremonies for the overflow crowd which attended the organizations Annual Dinner held at the Antioch Country Club last Wednesday evening, September 27.

Ed Kucharski, Asst. Illinois Secretary of State, was the guest of honor and the main speaker for the evening.

The dinner was the scene for the presentation of the Ella Award to William Brook, President of the State Bank of Antioch. The award is presented annually for outstanding service.

Mr. Anderson also presented a special award for Meritorious Service to the Lake County Sheriff's Department for the outstanding work they have done in the area of drug control.

LICENSE BUREAU HOURS CHANGE FOR FALL

The Drivers License Bureaus of Waukegan and Libertyville have announced open hour changes according to John W. Lewis, Secretary of State.

As of October 1, 1972, the open hours are: 8-4:30 p.m. on Monday, Tuesday, Thursday and Friday. On Wednesdays they will be open from 8:00 a.m. to 8:00 p.m. for written tests and 8:00 a.m. to 4:30 p.m. for road tests.

DEADLINE FOR SURVEY DRAWING NEAR

Just a reminder that the deadline for submission of entries in the political survey is drawing close. Antioch News editor-publisher, Joseph Rush, has established Saturday, Oct. 28 as the final day the surveys would be accepted.

If you want a chance to let your opinions be known to the

When Dean Kelly set out to raise pumpkins this year - he really "did a job". With good care and lots of rain he reaped pumpkins up to 71 lbs. Pictured left to right are sister Diana and Dean with the pumpkins ranging in weight from 25 lbs to 71 lbs. and Gail and David Kelly with squash that were just as fantastic in size. Holding a pumpkin-sized cantalope in one hand and a Banana squash, over 3 feet long, weighing 33 lbs., gives David quite a "hand full".

The Kelly children who live on Bluff Lake Road, south of Antioch have raised their produce for sale.

various candidates, fill out the survey and forward it to the Antioch News without delay.

NEW GLOBE STORE FOR ANTIOCH

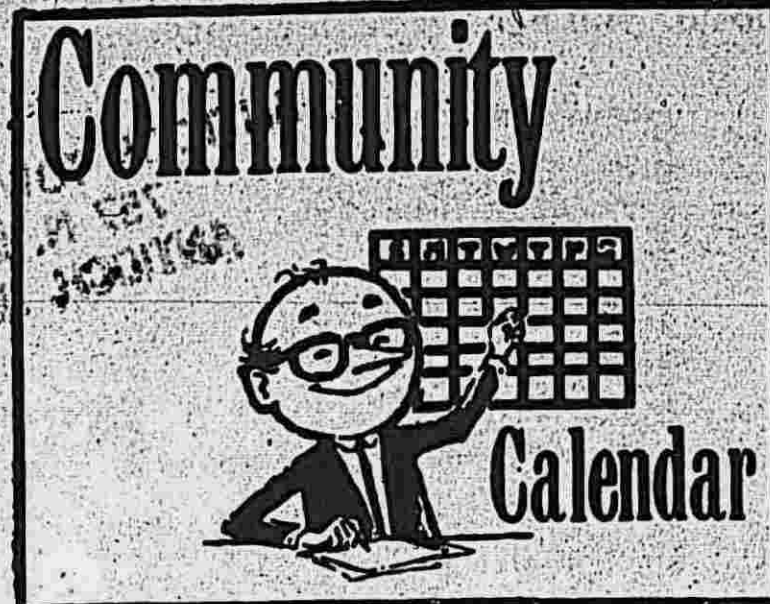

"Antioch has great potential for growth and we hope to successfully serve its residents," stated Seymour Morrison. With these words Morrison announced the plans for a new Globe Department Store to be opened in Antioch next year.

Co-owners Seymour and Robert Morrison timed the announcement to coincide with the Globe's 74th anniversary in Lake County.

Plans call for the opening of the new store in the Antioch Shopping Plaza on Orchard Street sometime between May and August of 1973. The idea is still in the embryonic stage and no date has as yet been set for groundbreaking.

The 12,000-square foot store will be comprised mainly of women's and men's apparel.

There are three other Globe Department Stores in Lake County - The downtown Globe, in downtown Waukegan, The Globe in the Plaza, at Waukegan Plaza, and the Lakeland Globe at the Fox Lake Plaza. The company has served Lake County since 1898 when the downtown Waukegan store began operation.

★ SURVEY ★

All too often the average man is not consulted when the important issues of the day are decided. Invariably he has little to say in the workings of government.

But now, the average man has recourse. Through the following questionnaire you can make your feelings known to those whom you will elect.

The aim of this survey, then is twofold. First of course to indicate the preference of voters in key races. Second, to make a sounding of the issues that are most in the minds of the electorate and possible policies to be implemented.

We encourage anyone having additional viewpoints to jot them down on a separate sheet of paper. However, you need not expose your voting preferences. Signatures are not mandatory.

1. Whom do you prefer for president?

- ☐ Nixon
- ☐ McGovern
- ☐ other

2. Whom do you prefer for U.S. Senator ?

- ☐ Percy
- ☐ Pucinski
- ☐ Other

3. Whom do you prefer for governor?

- ☐ Ogilvie
- ☐ Walker
- ☐ other

4. Rank in order of importance the most serious issues facing the nation.

- ☐ inflation
- ☐ Viet Nam
- ☐ welfare reform
- ☐ crime and drug abuse
- ☐ school bussing to achieve racial balance

5. Are you in accord with reforms instituted at both political conventions?

- ☐ Yes
 - ☐ No
- (if you feel the need to qualify your answer, please use separate sheet)

6. Based on information you have gathered, do you think the current administration has effectively controlled inflation and stabilized the economy?

- ☐ Yes
- ☐ No

7. Which do you prefer:

- ☐ increased
 - ☐ decreased
 - ☐ existing
- spending for national defense?

8. Which policy regarding the Viet Nam POW's do you feel most likely to succeed?

- ☐ Require the return of POW's prior to withdrawal
- ☐ Withdraw first as a condition for the release of POW's
- ☐ Other

Please cut out and return to:

EDITORIAL

A BETTER PERSPECTIVE

In this crazy time that we live in, it is often easy to get obsessed with all crime that seems to flourish around us. We continually hear of robberies and murders, drug users and shoplifters. Not to forget that ever present crime of vandalism, in which nothing is sacred. However, some of us seem to be losing perspective of the way things really are and fail to see the good things that are also happening all around us.

This week is a good week to stop and take a better look, especially since it is National 4-H Week. This week the activities of some 5 million young people should serve once again to remind America that the great body of its citizens, especially its young, hold firm to the ideals and aspirations that make a great nation.

The interests of 4-H are broad and varied. They deal with the environment, nutrition, health, community betterment, management, careers and international programs. 4-H'ers fight air and water pollution, learn about land management, strive for safe use of insecticides and other chemicals. They promote health education and endeavor to eliminate harmful drug usage and smoking. Special 4-H groups aid the mentally-retarded and physically-handicapped. They learn management techniques and how the free enterprise system works. They seek understanding of other cultures in over 80 countries.

This is 4-H today - a many faceted organization of youth keenly alive to the complex issues of our time. Observation of 4-H Week is an occasion for catching up on the many things that millions of young people are doing to make the U.S. a stronger and better nation. It is a time to re-evaluate our conditions and to get a better hold on reality.

OUR CONGRESSMAN

QUESTION OF KP DUTY

In preparing for termination of the draft and substitution of a volunteer army, a serious question has arisen in the Congress regarding the issue of KP (Kitchen police) duties. While KP duty has been traditional with military life - sometimes employed as a means of punishment - it is nevertheless quite inconsistent with the "new Army" - as well as the new Navy, Marine Corps, Air Force and Coast Guard. Indeed, in addition to its denomination as degrading and demeaning, it is persuasively argued that to assign military personnel to KP duty is an extravagant and inefficient use of military personnel.

It is estimated that maintaining an enlisted man on KP duty costs more than \$8,000 per year. On the other hand, the military services are able to secure civilians for such duty at less than \$5,000 each per year. Accordingly, the cost savings are substantial, and it is considered to be in the interests of the taxpayer to provide for "Civilianization of KP duty."

A principal argument in support of retaining KP as a part of our military services is that such duties are character-building. It is contended that KP is a useful and essential experience which provides motivation for assuming more responsible employment. This argument was countered with tongue-in-cheek during debate on the Floor of the House of Representatives by one Member who charged that if KP duties were an important element in formulating character in the military services, then it would be well for the Members of the House and Senate to perform similar tasks in the Capitol dining-rooms. When the vote finally came, the U.S. House decided by an overwhelming vote to end military KP. Thus the trend toward assigning essentially civilian duties to civilians continues. Earlier decisions have resulted in assigning civilians to many security and office jobs at our military bases.

The new Army and the new Navy are too prestigious to permit the performance of menial tasks in ships' galleys and mess halls. Waiters and waitresses will serve the men and women of our volunteer forces and no man or woman in uniform will again be found peeling spuds or scouring pots and pans.

What will happen to the characters of our future men and women in the service? Time alone will tell! However, it is doubted that they will change very much.

Dear Joe:

As one who hopes to represent the good people of Antioch in the Illinois legislature at Springfield, I would like to comment on your recent editorial, "Dollar, Dollar, Whose Got the Dollar?"

Your editorial humorously, yet truthfully described the difficult "game" in which the Education Team struggles against the General Taxpayer Team for voter approval of referenda to finance school programs and improvements.

For those in Antioch who are frustrated and disappointed by recent failures at the polls, there is the promise of good news in the future.

First, our new Illinois Constitution contains this language: "The State shall provide for an efficient system of high quality public educational institutions and services. Education in public schools through the secondary level shall be free... The State has the primary responsibility for financing the system of public education." Implementing this commitment will be a major challenge facing the Illinois General Assembly in 1973.

Secondly, as one of your Republican nominees, along with State Senator Karl Berning and State Representative W. J. Murphy, I am proud to report to you that our party's platform, adopted in convention last week in Chicago, pledges: "We affirm our support of further efforts to shift the burden from local property taxpayers to the state's taxpayers as a whole."

Thirdly, under the leadership of Governor Richard B. Ogilvie over the past four years state aid to local public education has already doubled. The reelection of Governor Ogilvie, in my opinion, will continue in office a man whose commitment to state support of our local schools is proven by actual performance.

Fourthly, the Illinois Republican Party platform expresses this pledge, which is especially relevant to the problem in Antioch: "We support and will

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

work toward a freeze on local property tax increases except in areas whose citizens approve such increases...."

Fifthly, President Richard M. Nixon as our national leader has worked closely with Governor Ogilvie to develop and move through Congress the first part of the Nixon Administration Revenue Sharing package. In the field of education Revenue Sharing will mean that a portion of our Federal income tax receipts will be returned automatically, without strings and red tape, directly to support our local school programs.

Thus, Antioch parents, teachers, school administrators, children, taxpayers and general citizens can look forward with realistic hope to much greater contributions in the days ahead from the Federal and State governments toward Antioch school needs.

And, to safeguard the vital element of local control, the lid on local property tax increases coupled with more Federal and State financial support should facilitate approval of future referenda by Antioch voters. The fear that the poor home-owner will be swamped by an intolerable local tax bill should be greatly alleviated.

The Antioch News deserves to be congratulated for your highlighting of this pressing need. Also, I do look forward to receiving the thoughts and suggestions of your readers, and of serving you at Springfield.

Faithfully,

Donald E. Deuster
Republican Nominee for Ill.
State Representative-32nd Dist.
132 N. Sylvan Lake Dr
Mundelein, Ill. 60060

A PRETTY GOOD KIND OF A GUY

Why does a Lion stand on the corner with that familiar canister in his hand? Because he wants to make his neighborhood, his town, his state, his country, his world a better place to live in.

What does he do with the money that clinks into the canister? It may be used to support HADLEY SCHOOL for the BLIND or LEADER DOGS for the BLIND, or to send a visually handicapped youngster to ILLINOIS CAMP LIONS, or to give DIALOGUE (a recorded service for the Blind) to some blind person, or for Sight Conservation Programs conducted by the ILLINOIS SOCIETY FOR THE PREVENTION OF BLINDNESS, or for any one of a hundred other projects for the visually handicapped.

Rest assured that when you put "what you wish" into the clinking canister that the Lion holds ready, you are contributing to a cause that is worthy....or there wouldn't be a Lion in the street supporting it.

Remember, too, that the first contribution that went into the canister was made by the Lion holding it. Last year alone, more than 950,000 Lions voluntarily contributed their services to support more than 400,000 separate and distinct worth-while community projects.

A lot of Man Hours from a lot of pretty good kinds of guys (and gals) go into the success of Lions CANDY DAY for the BLIND!!!! Support the Lions Candy Day on October 6th.

IF ELECTED, I PROMISE TO....

"DEMOCRACY (demos the people + Krateln to rule, Kratos authority) 1. Government in which the supreme power is in the hands of the people, who exercise it either directly or through their chosen representatives." Webster.

The Antioch News is dedicated to the principle that the better informed a person is the better he can exercise his right to vote. Therefore, in this and the following issues we will bring our readers statements of position from the various candidates for election to the Illinois General Assembly from the 32nd District.

We will start the column with exploring issues which are of general concern to everyone. However, if you have a question to which you would like all six candidates to respond, please write it out and forward to the Antioch News and we will seek out the answer.

One of the very pressing needs is for tax payer relief in the area of Education. We culled the press releases of the candidates and found the following:

Karl Berning (Rep.) incumbent candidate for State Senator: In the releases which we have received there is no direct statement regarding Mr. Berning's position on this question. However, he has served on the Higher Education Study Commission and was co-sponsor of the bill eliminating family household effects and one car from tax roles. Sen. Berning has also supported other bills of general interest to education. He is currently working for an individual personal property deduction of \$5,000, a school state aid increase and a real estate tax and rent rebate for persons age 65 and over.

Donald E. Deuster (Rep.) candidate for state representative: For a relatively complete statement by Mr. Deuster regarding his position on the financing of education see his letter in Letters to the Editor, this issue.

Casey Kuklinski (Dem.) candidate for state representative: Mr. Kuklinski makes several statements regarding education and finance in his platform for election. "Discrimination of disbursements in state aid to schools must be resolved." "Financing education with real estate taxes is not equitable." "Would seek amend-

ment of School Transportation Code, Sec. 29.3 to provide that all children be entitled to transportation in rural areas where needed." "Elimination of Personal Property Tax entirely." "Seek relief for property owners and schools from large Planned Unit Developments. Populous areas must not be made to pay the tax burdens from large developments, but developers must be made to pay their fair share cost-wise for their new profitable enterprises."

W.J. Murphy (Rep.) incumbent candidate for state representative: In a campaign brochure Rep. Murphy states, "I will continue my efforts to fight all unreasonable tax increases on the belief that we have reached our limit in the tax burden that we can pay and remain a free people." A little further on the candidate for re-election also states, "I will continue my fight to maintain our educational responsibilities to our children."

Daniel M. Pierce (Dem.) incumbent candidate for State representative: The best statement regarding Pierce's position on education is the fact that he helped to draft the Education Plank for the Democratic State Platform. Quoting from the platform statements issued by Rep. Pierce - "The Education Plank... urged expansion of the State Scholarship program... endorsed the proposal contained

in legislation introduced by Rep. Pierce granting an income tax deduction for college tuition payments....criticized the (current) administration for failure to comply with the State constitution, which provides that the State has the primary responsibility for financing public education. It (the platform) urged that the State implement this constitutional requirement which will lessen the burden on local real estate payers.

Stephen M. Slavin (Dem.) candidate for State Senator: in a flyer released early in his campaign Mr. Slavin detailed his stand on education: (He) believes that the state must "revise state aid allocation formula to eliminate disparate treatment of unitary and dual school districts and to base aid on average daily enrollment. Develop new sources of revenue to meet constitutional mandate of high quality education for all students. Encourage high quality schools to maintain superior standards by municipal contributions to educational fund through sharing of income and sales tax revenues."

Brief as they are, we hope that the above statements will help our readers as the coming election approaches. We will continue to keep you informed of the statements of position which the six candidates take regarding the more important problems which face the 32nd District.

ATTENTION BIKE RIDERS

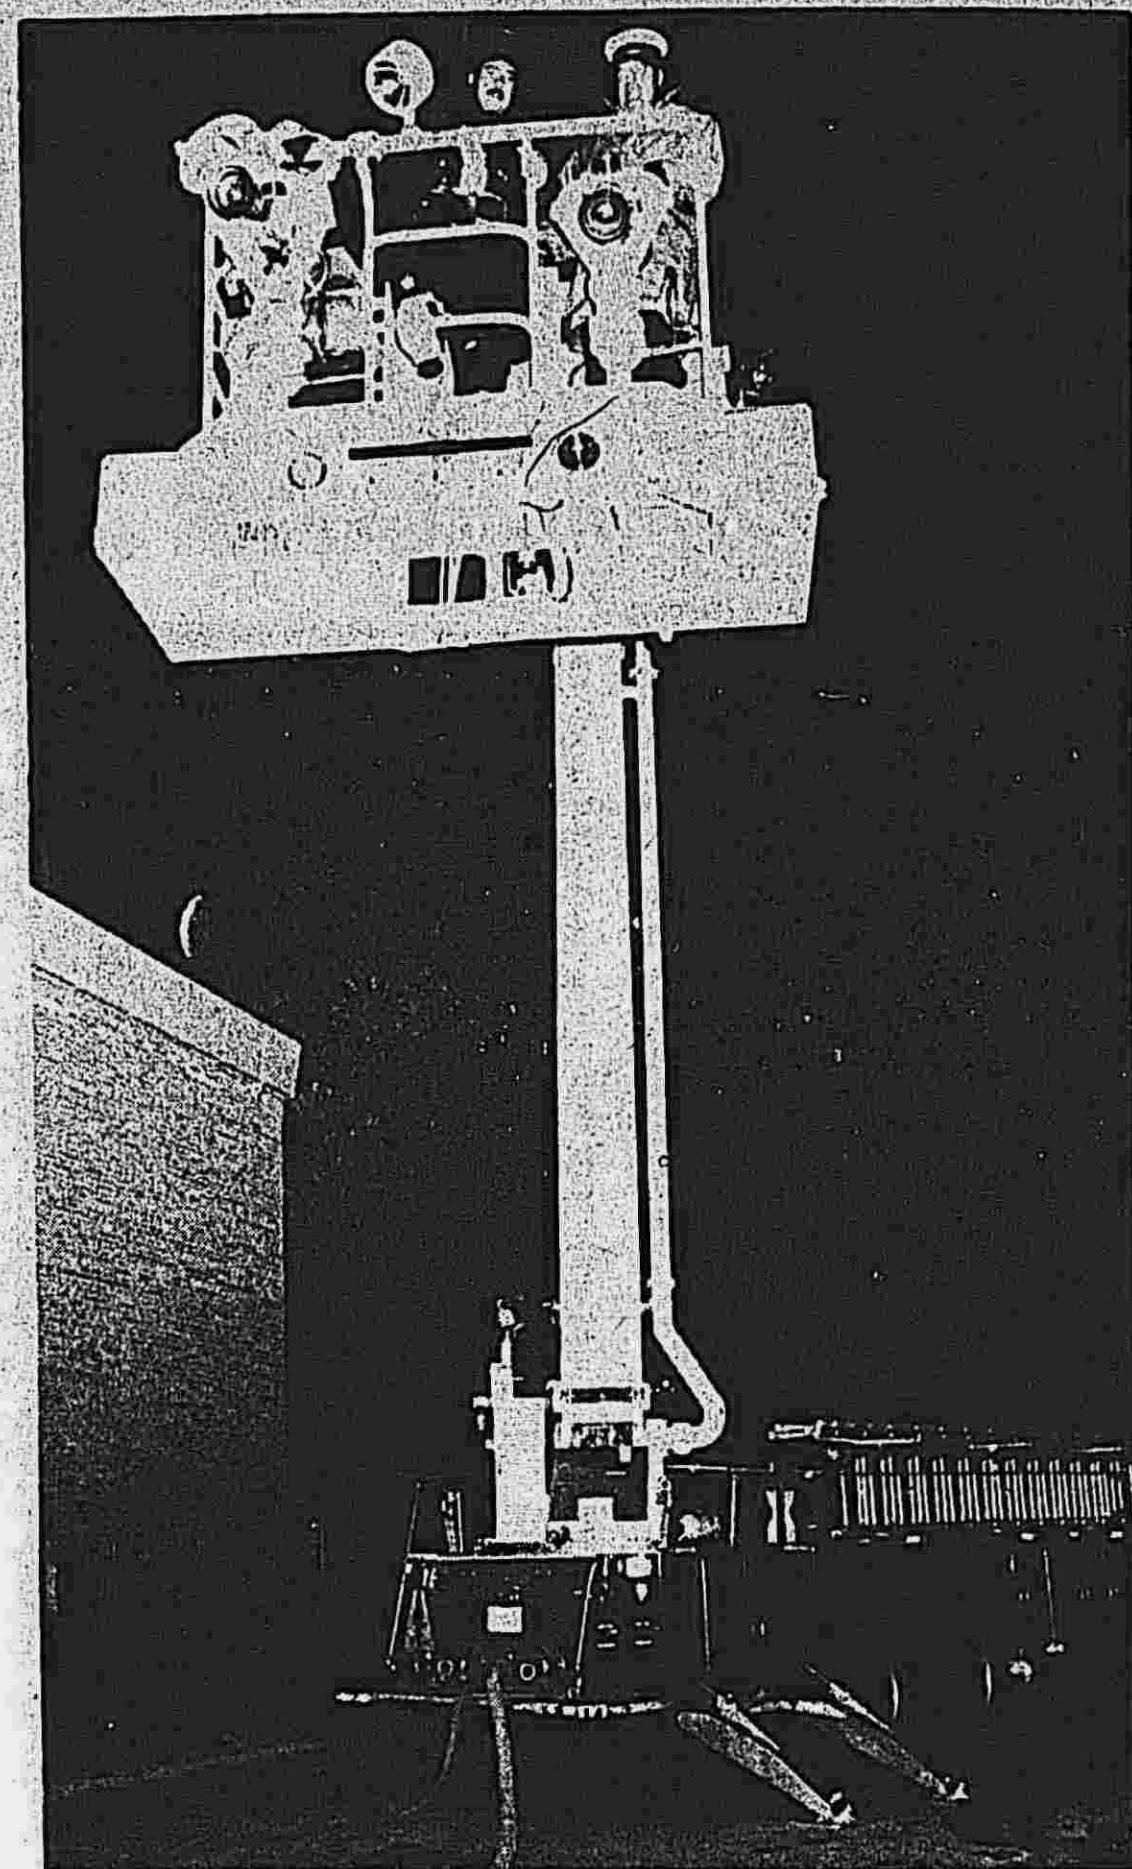

Attention all bicycle riders, and this means you! There has been a new amendment to Antioch's Bicycle Ordinance that was adopted by the Village Board Monday night.

Remember in the olden days when you had to walk your bicycle in the business area?

Well, those good old days have finally come to an end. Bicyclists will now be permitted to ride their bikes in the streets in the business area.

The new amendment to the Bicycle Ordinance reads:

"Riding on Sidewalks" -

Riding high, Tod Maplethorpe, Chief of the Antioch Fire Department, gets a birds eye view of the Zion Fire Department snorkel truck at their demonstration on Tuesday night, September 26, at the Antioch High School (staff photo)

Whenever a usable path or sidewalk has been provided adjacent to a street or roadway, bicycle riders shall use such path or sidewalk, but in single file only, and shall not use such street or roadway; except that no bicycles shall be operated upon sidewalks in the central business district area, such business district area to include

Main Street, from Ida Avenue to Depot Street, and Lake Street from Hillside Avenue to Main Street. In such central business district area, all bicycles shall be ridden on the street or roadway."

So bicyclist make use of your new found freedom, but watch out for the many motorists that also enjoy the same freedom.

FIREMEN PROVIDE OWN FALSE ALARM

Quite a bit of excitement was generated last Tuesday night when the Antioch Fire Department used the high school for the site of a familiarization training session on the new snorkel unit recently acquired by the fire department of Zion, Ill. Several calls were received to check on "how much damage was done to the high school?" "was it arson?" and, more frequently, a plaintive, youthful voice asking, "Will there be school tomorrow?"

"This was a normal training session," said Todd Mapletorpe, Antioch Fire Chief. "We have a long standing mutual aid agreement between departments in the area. When they get new equipment its normal that our men become familiar with how it operates."

"It also gave us a chance to see just what the roof surface of the new high school addition looked like," Chief Mapletorpe added, "to see what problems we would face in case of a fire."

The snorkel unit is essentially an open platform on a lift arm similar to the "cherry pickers"

used by power and telephone companies. Its purpose is to elevate Firemen and equipment to a position where they can more effectively fight a roof fire or a fire in a taller building.

The Zion firemen made the run to Antioch on a non-emer-

gency basis in approximately 20 minutes. "If it were an actual emergency they figure they could make it here in approximately 15-18 minutes," Mapletorpe said. A similar unit is available to Antioch from the Libertyville department.

THE ANTIOCH NEWS

Remember When?

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

YEAR OF THE SILVER NOTE

On October 5, 1972, thousands of Sweet Adelines all over the United States, Canada, and Panama Canal Zone, will be celebrating the "Year of the Silver Note". Sweet Adelines have, for the past 24 years annually celebrated their anniversary with "Share a Song Day". On this day Sweet Adelines in over 550 local chapters would share their music and songs with their communities in hospitals, homes for the aged or another organization. This year the Sweet Adelines will celebrate a "Silver Anniversary Share A Song Day" as they proudly announce the 25th anniversary of Sweet Adelines, Inc. an international non-profit organization of women whose purpose is to teach the American folk art of singing four part harmony, barbershop style and through performances to encourage a universal appreciation of the tradition of that music.

Founded in Tulsa, Oklahoma, in 1947, the international organization now has more than 22,000 members whose Sweet Adeline home is the International Headquarters Building in Tulsa.

"Harmonize the World" is the motto of Sweet Adelines, Inc. and the Kenosha Chapter has done their share in the 18 years

it has been in existence. When the chapter first began it had only 12 members, but they had four parts and their hearts were in singing barbershop harmony to the many community organizations that they entertained. Each Sweet Adeline strives to promote harmony around her and the chorus as a whole, now with 35 members does this as they continue to sing for civic and charitable functions. The annual production of a musical show is something the chapter members look forward to doing early each spring.

This year the Kenosha Chapter of Sweet Adelines were happy to have the opportunity to celebrate "Silver Anniversary Share a Song Day" by providing a musical program for the Bristol Chapter Order of Eastern Star at the Masonic Building in Bristol.

If all this singing and bringing musical cheer sounds enticing, the Kenosha Chapter would like to invite you to a rehearsal. If you are a woman 17 years or older, like to sing, the Kenosha chorus would like you to join them some Monday evening at 8:00 p.m. at the First Baptist Church, Gordon Hall, 5616 7th Avenue, Kenosha, or call Membership Chairman Mrs. Jack Rush, 414-694-3276.

BLANCHETTE'S

by: Wayne Blanchette

NEIGHBORHOOD NUISANCE

One of our jolly customers at BLANCHETTE'S TV AND RADIO asked, "When are they going to invent a television set that interferes with its neighbor's power tools?"

Interference from innumerable electric gadgets that have worn motors, bad circuits and wiring are a plague on good TV reception. And even if you know the source of your neighborhood trouble, it's a delicate procedure in diplomacy to correct the situation. Of course, there's always the chance the neighbor likes the same programs you do, and shuts off the infernal trouble. One lady borrowed her neighbor's vacuum cleaner and then had it serviced on the pretense she mishandled it.

An arbiter on this trouble we're not but if your TV set becomes recalcitrant, we'd like to negotiate it back into complacency for you. We have the necessary meters and tools that does it quickly. Phone 395-6400. You'll like our service.

Happy 4-H and bake a chicken week!

Some recent birthdays celebrated were Ruth Bemis on the 30th, Lillian Burnette on the 31st and Charles Cermak on Oct. 1. Also John Proctor is starting a long line of birthdays in his family that are in October. His on the 2nd and that's just the beginning.

Mrs. Leslie Shephardson of Sue Falls, So. Dakota was here for the wedding of Mr. & Mrs. Mel Stillson's grandson, Robert Stillson. Robert was married in DeKalb on September 22nd. Mrs. Shephardson spent the weekend in DeKalb and then visited with Goldie for a week, went back to Sue Falls with her son Melfred and will return to Antioch this Sunday along with another sister, Mrs. Dorwin Robins and her husband. The three sisters will have a good visit and top it off with a family reunion on the 14th and 15th at the Stillson's lake cottage in Whitewater.

Mel Stillson is having a ball in Yuggslvia spoiling his grandchildren, Aaryan and Jason Hauser, children of Dee (Stillson) and Mike Hauser. He does write that he misses home.

A mighty happy Water fight team returned to Antioch Sunday afternoon and brought home a first place trophy from Bonnie Brook Fire Dept. Team No. 2 consists of Ken Watson, Jim Krieger, Gerry Erhardt, and Bob Cunningham. This concludes the water fights for the season, and for Bernie Gutowski who is retiring from the game after over 13 years...

The Republican golf outing and Dinner were well attended last week, and with election time coming closer, many more such affairs will be in the making.....

I hear that former residents Wes and Louise Camp were able to tear themselves away from Texas and have been visiting in Antioch for the last few days. Where have you been hiding?

In this crazy world of busy streets and highways, one wouldn't think of a head on collision of 2 bicycles. Sheri Prange had to try it. Going to and from classes at DeKalb, Sheri collided with another such student. There was little damage and no major repairs to the bikes, but Sheri will be on crutches for a little while, having a badly bruised foot with pulled tendons and muscles.

A very special and loving happy birthday to Beulah Anderson. If everyone had a mother like her - the world couldn't go wrong! She celebrates October 5.

Get well wishes go to Elizabeth Jenssen. Since she and Ray came home from their Florida trip, Elizabeth has been in the hospital and mighty uncomfortable. This week she enters St. Luke's Hospital in Chicago for further tests and treatment. A card would be much appreciated we are sure. Also get well wishes go to Bev Reckers.

Our condolences go to Mr. Jullus Jones of Gary's Drive, on the loss of his son, James.

Cal & Marion Harden have left Antioch for their winter home in Florida, as are Mr. & Mrs. Earl Pitman getting ready to leave. Have a nice winter and see ya next spring.

Say, the Orchard Plaza has a good idea in their Grand Opening days, look for more and more interesting things to come.

MARINE PVT. DANE J. ROTH

Marine Private, Dane J. Roth, son of Mr. and Mrs. A. C. Roth of Route 1, Antioch, Illinois graduated from basic training at the Marine Corps Recruit Depot in San Diego.

Our congratulations to Max and Carol Jester who became the parents of a baby girl this past week.

Mrs. Sankey of North Avenue is celebrating Easter all over again. She received an Easter Lilly in March when she was ill and this spring set it out and forgot it. The Lilly took on a new lease on life and now has 4 blooms.

I hear tell Warren Polley got a "bird's eye view" of the high school courtesy of the Antioch Fire Department and the new Zion, Ill., snorkel unit. There probably aren't too many school superintendents who have had such a wonderful opportunity to get an over all look at their problems.

Don't forget the first aid classes starting Oct. 5 at the Rescue Squad Building. See ya there.

Annie Mae

HOMETOWN NEWS

CHARLES M. KELLY

Charles M. Kelly, son of Mr. and Mrs. Charles M. Kelly, 100 N. Witchwood, Lindenhurst, Ill., has been promoted to sergeant in the U.S. Air Force.

Sergeant Kelly, a vehicle operator at Suwon AB, Republic of Korea, serves with the 6170th Combat Support Squadron of the Air Force which is celebrating its 25th anniversary.

The sergeant is a 1970 graduate of Antioch Illinois High School.

PATRICIA GORLITZ INVOLVED IN HOMECOMING PLANS

Patricia Gorlitz, Antioch, is chairman of a sub-committee making plans for homecoming weekend Oct. 20-22 at Augustana College, Rock Island.

Miss Gorlitz, a junior at Augustana, is a daughter of Mr. and Mrs. Kenneth E. Wiedman, 648 Gary's Drive, Antioch.

THREE LAKE VILLA MEN RECEIVE DEGREES

Undergraduate and graduate degrees were awarded to 407 students by Roosevelt University at the close of Roosevelt's summer session. It was announced by Charles Simmons, associate dean of admissions and records.

Of the total, 259 were bachelor's degrees and 148 were master's degrees.

Students receiving degrees were honored at a special reception on Friday, September 15, in the University's Herman Crown Center. Those from this area are: James R. Harris, Lake Villa; Bachelor of General Studies, Gerald L. Mateja, Lake Villa, Master of Arts; Walter W. Soderman, Lake Villa, Master of Arts.

MIKE OZGA IN NTU MARCHING BAND

Michael C. Ozga of Antioch will be performing this year with the 1972-73 North Texas State University Marching Band, directed by Maurice McAdow.

The 144 piece show band will be featured in halftime and post-game concerts at NTSU's four football games this fall at Texas Stadium the home of the Dallas Cowboys.

The 1972-73 Marching Band made its Texas Stadium debut at the NTSU San Diego State game Sept. 23rd and will perform Oct. 21 at the 1:30 p.m. NTSU-Memphis State game; Nov. 4 at the 7:30 p.m. NTSU-Cincinnati contest; and again Nov. 18 at the 7:30 p.m. game between NTSU and West Texas State.

Ozga, a freshman music education major, is the son of Michael A. Ozga, Route 4, Antioch.

GARY RACINE ON CLC CROSS COUNTRY TEAM

College of Lake County opened its Skyway Conference cross country season Wednesday, September 17, by finishing second in a triangular with Triton and McHenry.

CLC runners Scott Falknor and Leon Cueller finished second and fifth, respectively, with times of 24:45 and 25:54. Rich Wright of Triton had the winning time of 24:40.

Team totals were Triton College with 23, CLC with 43, and McHenry with 74.

Out of a total field of 27 runners, other CLC finishers were Jim Printer, eighth, Steve Bishop, thirteenth, Jeff Barton, fourteenth, and Gary Racine, fifteenth.

The three co-eds on the team, Carole Runyan, Mary Johnson, and Debbie Tripp, did not see action, but are currently rounding into shape.

FOX LAKE BANK COLLAPSES

The bent steel beams and the broken concrete mark the collapse of the new addition to the Fox Lake Bank. (Staff Photo).

BOARD IS "HORSEING" AROUND

The Antioch Village Board was faced with an unusual problem last night when Mr. George Blanksten took the floor. Mr. Blanksten, a professor of Social Science at North Western University, has recently moved to Antioch, purchasing a 10.1 acre lot on Depot Street. Blanksten bought this large tract of land with the intention of raising horses there. Upon deciding that the present barn that is already located on his property is unsatisfactory for the housing of horses, he began to make plans for a new structure.

Blanksten's troubles began when he learned that he would have problems securing a building permit for the new structure, since his property is not zoned for horses. His property was annexed by the city several years ago and was zoned as residential property despite its size. Blanksten's problems are further complicated by the fact that he has already purchased his horses and they should have been picked up on the first of this month.

There are several questions here that the Village Board will have to answer. Should this large tract of land be zoned as residential? If the land is zoned as residential land, could horses be permitted under the pretext that they are a domestic animal? If Mr. Blanksten is permitted to keep his horses, will this cause problems in the future with his neighbors, etc.? The Board choose to use caution in answering these questions

and will present Mr. Blanksten with their answers after careful research and consideration at the next meeting.

At the next meeting the board will also discuss the Ordinance on Open Burning and the Ordinance on Storm Water.

Several decisions were made at the meeting on Monday however.

The Board approved of a liquor license issued to Bob Callaway for a one year term. Mr. Callaway will open Bob's Tap on 911 Main Street.

The Board also voted to stop the building of Triton Development which are the Joanna Apartments on North Main St. The board requested the

The roof and the second floor of the Fox Lake State Bank that is currently under construction, collapsed early Tuesday morning.

According to Officer Bill Bukowski, the steel beams could not sustain the large concrete slabs that were being laid.

One man was hurt when the building collapsed. He is James Steel. Steel had been on the roof at the time of the collapse and was thrust through the building. Hewas rushed to the McHenry Hospital by the Fox Lake Fire and Rescue Squad, and is reported to be in serious condition.

building of these apartment complexes be stopped until such time that the storm water situation is straightened out with the SooLine Railroad.

american legion auxiliary news

The board meeting of the 10th District American Legion Auxiliary will be held on October 23rd, at 8:00 p.m. at the Round Lake American Legion Home. Mrs. Everett Ainsworth, Lake Forest, 10th District President, will be conducting the session.

Since this will be the first meeting under the newly installed officers, all unit presidents are invited to be present, as well as the district officers and chairmen. District chairmen are reminded to send estimated, itemized cost of their programs to Mrs. Barbara Klemm, Gurnee, district finance chairman, as soon as possible. Mrs. Klemm, and her committee members, Mrs. Fred Schultz of North Chicago, and Miss Phyllis Broege, Deerfield; must have the year's budget ready for this meeting.

Mrs. John L. Horan, Antioch Unit President; Mrs. Edward Jahneke, 10th District communications chairman; and Mrs. Ray Rathmann, 10th District junior activities co-chairman; plan to be in attendance.

Sunday, October 29th, at 2:00 p.m., the 10th District Children and Youth meeting of both the Legion and the Auxiliary, will be held at the Mundelein American Legion Home. District Legion Children and Youth Chairman, Robert Maxwell,

Mundelein; co-chairman, John Jones, North Chicago; and District Auxiliary Chairman, Mrs. Louis Thompson, Waukegan; say that they need all post commanders, unit presidents and their respective children and youth chairmen to be present.

Plans and preparations will be made regarding the Christmas Caravan, which will take place early in December. At this time, "Santa" and the members visit all the children in the Lake County Children's Homes, giving them christmas gifts and candy.

Also, on the agenda for discussion will be the situation at the Illinois Sailors and Soldiers' Children's School (ISSCS) in Normal, concerning the children's spending money fund, extra needs of either the school, the children or the cottages. Harbord Cottage, the cottage 10th District Legion and Auxiliary has sponsored for many years, now has ten new boys. Since there are more Units than there are boys, a drawing will be held, so only Units that are represented will have a chance to sponsor a boy.

Antioch American Legion Auxiliary No. 748 is fortunate in having had a boy to sponsor for the past five years, according to Mrs. William Dowden, unit children and youth chairman.

The common ancestor of today's dogs was a prehistoric animal that looked like a cat.

HOLIDAY VARIETY SHOW

AT ST.THERESE HOSPITAL

St. Therese Hospital, 2615 W. Washington St., Waukegan, announced today that it will host and produce a holiday Variety Show in its Mother Leonarda Hall Auditorium on Saturday, December 9 at 8:00 p.m.

Proceeds from the show, which hopes to feature local talent, will be donated to either a priority hospital project or to some local charity.

Waukegan and surrounding area residents who have performed as individuals or as part of a group act, are requested to audition for the show by calling either the Personnel or Public Relations Departments.

Auditions will be held in the Leonarda Hall Auditorium, just west of the main building, every Saturday in October from 9:30

a.m. thru 2:00 p.m. Experienced professional personnel will judge the talent. Singers, dancers, musical groups, instrumental combos, comedians and specialty acts, etc., are welcome to try out. The only restriction is that acts be limited to people who do not earn their entire living by entertaining, i.e., professional entertainers. Those who do part-time entertaining or who have appeared on stage before, are urged to audition.

Jim Jordan, Music Director of Radio Station WKRS and Host of 1220, will act as master of ceremonies.

Tickets will be \$2.00 for adults, \$1.50 for hospital employees and \$1.00 for children (under 12) and will be available at the hospital.

NEWCOMERS TO HOLD BAKE SALE SATURDAY

The Antioch Welcome Wagon Newcomers' Club will hold a bake sale Saturday, October 7th at the State Bank of Antioch. The ladies will have many good things to eat on display, so give yourself a break, don't bake, stop in and buy a homemade treat for the family. Anyone who wishes to donate a cake, will receive our thanks. You can bring your pastry goods to the bank before 9:00 a.m.

The Newcomers' monthly meeting will be held Wed., Oct. 4th, 8:00 p.m. at the Methodist Church. This is our kick-off meeting for new membership. Everyone is welcome, if you are new to the area, come and join with us for a pleasant evening. We have a full agenda of games, slides, refreshments. Come with a friend or give us a call and we will make arrangements

to pick you up. Betty Baker is our coffee chairman, 395-3650, or Yvonne Dyer, our hospitality chairman at 395-5412. Our calendar for the coming year is full of activities. Come and join us and enjoy yourself.

Our arts and crafts program is beginning to get in full swing. We have two events that should interest you. Wed. Oct 4th at 1 p.m. the ladies will get together for knitting, crocheting and sewing at Pam Hill's home, 395-5474. Norma Garvin and Mary Ellen Rizzo will have a class on pine cone wreaths and acorn faces at Mary Ellen Rizzo's home, 395-6215. Give these ladies a call for directions and supplies you might want to bring. The arts and crafts program is open to all members of the Newcomers' Club. These programs are sure to have a lot of great ideas for the coming holidays.

LANDMANN-SHEEHAN VOWS

Faith United Methodist Church, Brillion, Wis., was the setting for the wedding of Cheryl Jeane Landmann and Patrick Daniel Sheehan, Saturday, August 19th, with the Reverend Paul Francis officiating at the 7:00 p.m. ceremony. Mrs. Robert Suchan sang "The Wedding Song" and "Morning is Borne", and Mrs. Ray Frisby was organist.

The parents of the couple are Mr. and Mrs. Fred Landmann of Rte 2, Brillion, Wis., and Mr. and Mrs. Joseph Sheehan of Antioch, Ill.

The bride chose a gown fashioned of ivory dacron sheer over taffeta, with lace square yoke, high lace collar and Camelot sleeves. Both the gown and the sheer removable train were trimmed with Chantilly lace and the short mantilla veil was edged in matching lace. The bride carried a basket of apricot roses, fuji mums, stephanotis and spring rye.

Matron of honor, Mrs. Ronald Rau, of Antioch, Ill., was assisted by bridesmaids Mrs. Anthony Landmann of Waukegan, New Jersey, Mrs. Marvin Eisenhower of Lindenhurst, Ill., and Mrs. John Ruleau of Abilene, Kansas. They wore gowns with an ivory chiffon bodice and apricot, A-line skirt with a flounce hem. Ivory lace, with tiny rosebud appliques, and apricot chiffon woven through, trimmed the bodice, high lace collar and bishop sleeves. They wore floral contour headpieces with avo-

cado ribbon streamers. A floral basket arrangement of white and apricot carnations with spring rye and orange, yellow or bronze pompon mums, was carried by each bridal attendant.

Ronald Burrell of Rte 2, Antioch, was the best man, and groomsmen were Anthony Landmann of Waukegan, New Jersey, Dennis and Richard Sheehan of Antioch, Donald Sheehan of Waukegan and Dudley Sheehan of Sycamore, Ill. were ushers.

A dinner-reception was held at Faith Church following the ceremony.

After returning from a honeymoon in northern Wisconsin and Canada, the couple is residing at Rte 2, Lake Villa, Ill.

The bride, a graduate of North Central College, Naperville, Ill., taught second grade in the Antioch school system for the past two years. The groom, who completed four years of service with the U.S. Air Force, is attending CLC.

ANNUAL TURKEY DINNER

St. Ignatius Episcopal churchwomen will be holding their annual turkey dinner on Wednesday, October 11th in the Parish Hall, 983, Main Street, Antioch. Serving from 5 p.m. until 7 p.m. The tickets can be purchased at the door, or from Mrs. Cornelius Lulofs, 395-1933. Adults: \$2.25 and children \$1.00. This will be served family style. There will also be a table of candy, popcorn balls, cookies, jellies and tea bread. Everyone is welcome!

LA LECHE LEAGUE MEETS

The LaLeche League of Lake Villa and Antioch will meet at 8:30 p.m. on Wednesday, October 11, at 619 Alima Terrace, at Sequit Terrace, Antioch.

Topic for discussion will be nutrition and weaning.

Anyone interested is invited and youngsters are welcome. For more information please phone 395-6018 or 356-8381.

WCS MEETING

'DRUMBEAT' AT

The Women's Society of Christian Service will hold its October meeting on Wednesday, October 4th in Wesley Hall of the United Methodist Church of Antioch at 12:30 p.m.

Mrs. Robert Duha will be in charge of Worship. The program will be the film "Drumbeat". Plans for the Fall Rummage Sale to be held on Friday October 13th at the church will be discussed.

Hostesses will be members of Alice Circle with Co-Chairmen Mrs. W.C. Petty and Mrs. Ralph Parker in charge.

OIL PAINTING FOR BEGINNERS. . . . First a few general words about your supplies. Buy the less expensive paints, brushes and panels only if you have to, as a beginner or a student. Quality in paint and tools is necessary to do quality work and as you begin to exhibit and sell your work use better supplies.

YOUR SUPPORTS (the panels you paint on)... Stretched canvas is the best because it is light weight, especially necessary in very large pictures. Artists like the springy, "alive" quality of the tightly stretched canvas. Prepared panels of hardboard are next best, but are too heavy and tend to warp in large sizes. Canvas covered panels are fine and are perfectly adequate for student work, but should not be considered "professional" quality. Imitation canvas, that is paper with a canvas texture is very poor and hard to work on and should not be used especially by the beginner. Don't be timid. Start with a good size panel, about a 16" x 20"

YOUR PALETTE... The fancy shaped palettes may be esthetically "beautiful", but not practical. Few artists hold their palettes while painting. Instead, a palette placed on a sturdy table is more sensible. I recommend either glass or formica. They both are easily cleaned with solvents without damage to the surface, and will withstand scrapping with the palette knife. A white paper put under the glass gives a good mixing surface, but lights reflect in the glass and is a bit uncomfortable on eyes. You can get scrap pieces of formica from the sink openings of counter tops from carpenters free or for a nominal price. However, these are a bit heavy to carry if you intend to paint out doors. Then a simple

wooden palette will do. The pads of paper palettes may make cleanup easy as they are disposable, but they absorb some of the oil from the paints and make the paints stiff. Besides they are not big enough. Your palette should be at least 14" x 16, even bigger in your studio.

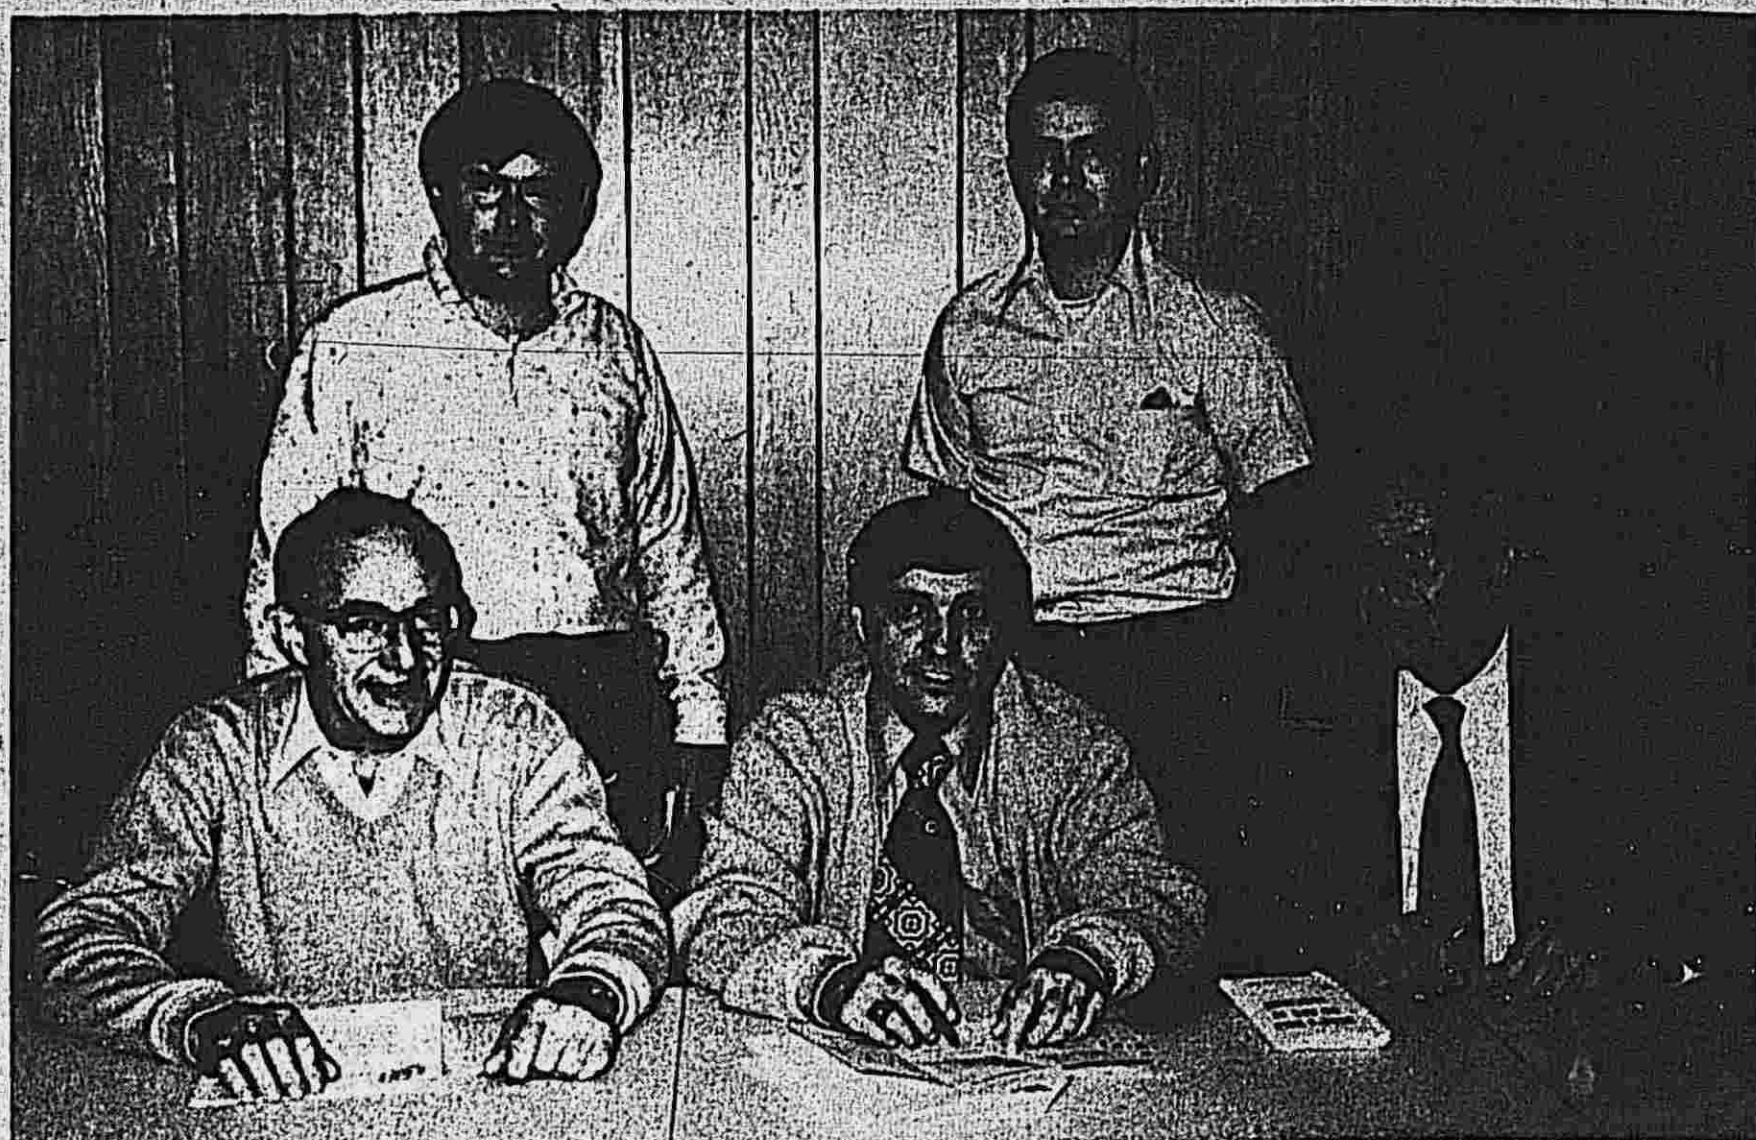

YOUR PAINTS... Start with a simple palette of colors at first. You can add a new color as you gain in experience. Here is a good balanced palette to begin with. Buy pound tubes of either titanium or zinc white. Then buy studio size, \$1.25 fluid ounces, of all colors. Smaller size tubes are not practical and force you to paint tight and with weak color.

Ultramarine blue, yellow ochre, cerulean blue, burnt sienne, veridan, raw umber, cadmium yellow, light, cadmium red, medium, cadmium yellow, deep and alizerine crimson. Ivory Black may be added, but beginners should be taught to darken their colors by adding opposite colors. Purer, cleaner colors result if this is the practice. The addition of black is a cause of muddy colors. A good black can be made by mixing Ultramarine Blue and Burnt Sienna.

YOUR BRUSHES... They should be the long handle type for balance. As a starter get 3 bristle "flats" sizes: 3, 6, 8. You will need a No. 3 sable round "pointer" for doing fine lines. As you get deeper into painting you will want to have more brushes, even more than one of the same size.

YOU ALSO NEED... a palette cup, a palette knife, turpentine and rags. Later on you will want a painting knife. They come in many sizes and shapes. To start with get one that has a blade an inch and a half long and comes to a fair point. Now lets paint.

Happy Painting
Next week: Oil Painting Procedures.

Preston Reckers, Chairman of the new Antioch extension of the United Community Services of Lake County Fund, is flanked by members of his committee. Seated l to r are Mr. Arthur Wegner, Mr. Reckers and Mr. Ed. Dollard, assistant executive of the United Fund. Standing left is Mike Haley and right is Tony Starcevic. Kick-off day for the Antioch committee is Wednesday, October 4 and will run to November 15. Further information will be in next weeks paper. (staff photo)

THANKS TO YOU-IT'S WORKING

"Thanks to you - It's working"... "Carry your fair Share.", is the 1972-73 campaign slogan for the United Community Services of Lake County Drive.

Yes, it is that time of the year again as today marks the official kickoff dinner for the united Fund at the Sheraton Waukegan Inn. Over 200 volunteers representing nineteen divisions will participate at the dinner rally tonight. Mayor Robert Sabonjian, who is the general campaign chairman, will be the principal speaker.

The goal of \$740,437., will be allocated to twenty-two health, welfare, and character building agencies.

Many people think about the United Fund as only helping the needy. But, we all utilize United Fund agencies through community enrichment programs. Programs provided by the girl and boy scouts, water safety and first aid classes from the Red Cross, recreational programs from the United Fund's three YMCA's and YWCA, enrich our lives without discrimination to our income.

The Red Cross and Salvation Army, multi-field agencies, benefiting from the United Fund campaign, served 170,079 people last year.

Family and Children Service agencies such as, Catholic Charities, Family Service of North Lake County, Happy Day Nursery, Lake County Mental Health Society, Lake County

Urban League, North Chicago Civic Association, Youth and Family Counseling, and Zion Benton Children's Services served 14,509 people.

Barwell Settlement and American Social Health, provided health services to well over 2,000 people last year.

7,481 people participated in recreational and character building programs from the United Funds YMCA's, of which there are three: Central Lake Family, YMCA, a new United Fund agency, serving Libertyville and Grayslake, the Genessee Street Branch, and the YMCA Central. In addition, 47,977 people were served through the YWCA, Lakeview Council of the Girl Scouts, Northeast Illinois Boy Scouts, Waukegan Servicemen Center and the USO.

You make these services possible when you contribute to the United Fund. Thanks to You - It's Working.

THANKS

Thanks to all my Antioch friends for the wonderful turnout on my 90th Birthday at Nelson's.

The many cards, gifts and flowers were wonderful.

I thank our good Lord for giving me the good health to have had this wonderful day. Thanks too, to Reeves Drug Store for the opportunity to know you all.

Tim O'Connell

"TORK" TALKS

by: "Tork" Torkleson

CAR CARE TIPS

A 15 minute inspection of your car is a small price to pay where the lives of your loved ones are concerned.

According to "Tork", that's all the time it takes to complete a check-up he recommends to drivers before starting out on a family trip. "Tork's" check list includes the following:

BRAKES - Make certain pedal is firm and cannot be pressed close to floor. From a speed of about 25mph, apply firm, steady pressure to the brake pedal. Your car should slow down in relation to applied brake pressure and stop completely if brake is not released. The pedal should remain firm.

PARKING BRAKE - hold down regulr brake while apply parking brake. (If you don't engage regular brake, parking brake effectiveness is reduced.) Release regular brake. Place the car in gear and depress the accelerator slightly. Your car should not move.

SHOCK ABSORBERS - push down on each fender in turn. Your car should return to normal level quickly, bobbing once or twice. Worn or broken shock absorbers can adversely affect your steering control.

LOCKS - Make certain that all doors close easily, latches catch to keep doors closed and that locks work!

CHEMICAL INDUSTRIES COUNCIL LUNCHEON

High school guidance teachers and chemistry teachers from Antioch area schools have been invited to attend the Chemical Industries Council's Fourteenth Annual Conference and Luncheon for High School Teachers and Guidance counselors, Saturday, October 14.

The conference will be held in the Sheraton-Chicago Hotel, Chicago, from 9:00 a.m. until 2:30 p.m.

Featured speaker at the luncheon will be Mrs. Ruth M. Vetter, executive director,

Scientific Manpower Commission, Washington, D.C.

The general theme of the conference is "Solid Waste Pollution - Causes, Cures and Careers," the third in a group of conferences covering pollution problems and sponsored by CIC-Midwest. The conference will open with a morning seminar panel. Serving on the panel will be three experts in the field of solid waste problems from this area: Mr. S.A. Bortz, Ceramics Department, Research Institute, Illinois Institute of Technology; Mr.

Victor A. Denslow, commercial Development Project Manager, Amoco Chemicals Corporation, Mr. Clifford Klotz, manager, environmental affairs, National Can Corporation. A question and answer session will follow the morning panel discussion.

Presiding at the conference and luncheon, planned to inform teachers of the latest developments in solid waste disposal, is Mr. Thomas C. Dabovich, president of Morton Chemical Company, past president of CIC and a member of its executive committee.

CANCER SOCIETY'S NATIONAL BIKE-A-THON

Bicycle riders of Fox Lake and Antioch will join TV's "Partridge Family" in the American Cancer Society's first National Bike-A-Thon on Saturday, October 28 or Sunday, October 29 (rain date), Mr. John Ginocchio, of the Pioneer National Title Insurance Company Waukegan Office, and Chairman of the Bike-A-Thon for the Lake County Unit of the American Cancer Society announced today.

"Shirley Jones, David Cassidy and other featured members of the ABC-TV weekly series, will join with youths and adults of all ages throughout the country in riding for dollars to help fight cancer," Mr. Ginocchio said. "On the October 20 show on the ABC-TV Network, Channel 7, Shirley Jones, who plays the Partridge Family mother, will announce their participation in the Bike-A-Thon and invite the audience to join in.

The money will have been pledged in advance by sponsors recruited by each participant, or in some cases by the cyclists, who will donate a stipulated amount to the Society for each mile ridden.

Riders can stay on the course as long as they wish. Since the average cyclist does about five miles per hour even a short stint can provided needed support to further the American Cancer Society programs of research, education and service.

All routes will be approximately 40 miles. Fox Lake and Antioch riders will take Route No. 1: from checkpoint 4 at the McKay Associates Real Estate Office at Rte 59 and Grass Lake Rd in Fox Lake, north on Rte 59 to Rte 173, east on Route 173 to Zion, checkpoint 1, being the Standard Gas Station on the corner of Rte 173 and Rte 42 (Sheridan Rd), a distance of 20 miles, the return route making a total of 40 miles.

There will be two additional checkpoints along the route, checkpoint 3 at the Union Gas Station at Rte 173 and Rte 83, and checkpoint 2 at the Clark Gas Station at Rte 173 and Rte. 41. All riders are requested to begin at checkpoints 1 or 4 for safety's sake.

Applications are available at High

Obituaries

MRS. ANNA M. RADOMSKI-72 years old of Paddock Lake, Wis.

passed away Wednesday September 27, at Kenosha Memorial Hospital. She was born April 4, 1900 in Chicago, Ill. and resided there until moving to Paddock Lake in 1947. She is a member of Holy Name Church at Wilmet Wisconsin and the Schultz-Hahn American Legion Auxiliary Unit No. 293 at Silver Lake, Wisc. She was preceded in death by her husband Joseph J. Radomski on July 31, 1961.

Survivors are 2 sons Richard J. (Faye) Radomski (Pacifica, Calif.) Ronald F. Radomski (Paddock Lake) 6 sisters and 4 grandchildren.

Funeral services were held Friday at 9:30 a.m. from Strang Funeral Home in Antioch, Ill. A mass was celebrated at Holy Name Church, Wilmet at 10:00 a.m. Interment was in Holy Name Cemetery, Wilmet, Wis.

MARIE DUSEK-84 years old of 174 6th Ave., California Ice Subdivision passed away suddenly on Sept. 29th at the home of her son, from a heart attack. She was born on July 28, 1888 in Czechoslovakia.

Survivors are 4 sons, Louis P., George, Richard and Gerry, 5 grandchildren, 3 great grandchildren, 2 sisters and 2 brothers.

Funeral Services were held at 10:00 a.m. Monday from Svec & Sons Funeral Home in Berwyn.

JAMES H. JONES, SR.-46 years old, passed away on September 29, 1972 at Veterans Research Hospital in Chicago. He was born August 19, 1926 in Aurora, Illinois.

Survivors are 1 son James Jr. of Aurora and 1 daughter, Miss Kathy Jones of Aurora. Also his father, Mr. Julius Jones of Antioch.

Funeral services were held Monday at 1:30 p.m. from Healy Chapel in Aurora. Interment was in West Aurora Cemetery.

Memorials may be made to the Multiple Sclerosis fund.

MRS. GLADYS LOUISE (BERG) CLARKE, 63 years old, died suddenly in her home at St. Petersburg Florida on September 22, 1972.

Mrs. Clarke and her husband moved to Antioch from Chicago in the early 1950's. While a resident of Antioch, Mrs. Clarke was a very popular secretary at Antioch High School. In 1960 the Clarke's moved to Florida and set up their home in St. Petersburg.

Mrs. Clarke is survived by her husband George R. Clarke, and her mother, Anna W. Berg, both of St. Petersburg, a brother, Robert E. Berg (college park, Maryland), and two sons, William E. Clarke (Lakeland, Fla.) and Frederick J. Clarke (Danbury, Conn.). There are five grandchildren.

Private funeral services were held at the Baird Funeral Home in St. Petersburg, Fla.

MR. BARNEY NEVELIER-80 years old of Beach Grove Road, Antioch passed away on Tuesday, September 26th at Downey V.A. hospital. He was born March 4, 1892 in Waukegan, Ill. and had resided at Zion before moving to Spring Grove, Ill. in 1923, and to Antioch in 1926. He is a member of Antioch American Legion Post No. 748. Mr. Nevelier is a retired farmer by occupation. He married Jennie V. Nevelier - 1 daughter Mrs. Albert (Jenniev) Sodman (Antioch, Ill) 1 brother and 5 sisters. 4 grandchildren and 3 great grandchildren.

Funeral services were held at 2:00 p.m. Friday at Strang Funeral Home in Antioch. Rev. Donald Cobb officiated. Interment was in Angola Cemetery at Lake Villa.

ARTHUR W. LORENZ - 86 years old of 22 N. Bridgewood Dr., Antioch has died as a result of an auto accident. The accident occurred at 1:45 p.m. Saturday on County Trunk JF and Rte 83 in Kenosha, Wisc.

Lorenz was born in Germany in 1886 and had been a resident of Elmhurst for 40 years. He was a retired belt mechanic.

Lorenz is survived by his wife, Martha, two sons, Walter and Raymond, four grandchildren and two great grandchildren.

Funeral services were held at the Pedersen-Ryberg Funeral Home on Tuesday. Interment was in Forest Home Cemetery, Forest Park.

McKoy Installed as Realtor

Last Monday evening, September 25, 1972, Bruce L. McKoy (center of picture) of Bruce L. McKoy & Associates, one of our local Real Estate Brokers was formally installed as a Realtor in the Waukegan Lake County Board of Realtors along with Pat Ortseifen, Keeper Nagel, Waukegan; Robert McCulloch, (right of picture) Leech-Bridges, Inc., Zion; and (left) Morton Fredrickson, Hansen Realty, Libertyville. Guests of Bruce McKoy were State Senator Karl Berning and his wife Mickey.

Installation was held at the Antioch Country Club at their Boards general Membership Dinner Meeting. There were approximately 147 real estate people present. Mr. McKoy has been an associate member of the Board of Realtors since he started in the real estate field. He previously had been a salesmanager, and vice president of two other Real Estate firms before opening his own companies. He now has two offices serving Lake County. One at Rt. 59 & Grass Lake Road in Antioch and the other one in Libertyville, Illinois.

Illinois History Quiz

Prepared by the
Illinois State Historical Society
Old State Capitol, Springfield 62706

- Who was the first governor of Illinois?
a—John Reynolds; b—Shadrach Bond; c—Ninian Edwards;
d—Joseph Duncan
- How many children did Abraham Lincoln have?
a—two; b—four; c—six
- What was the first capital of Illinois?
a—Springfield; b—Vandalia; c—Shawneetown; d—Kaskaskia
- In what year was the famous abolitionist leader Elijah Parish Lovejoy killed by a mob at Alton?
a—1856; b—1846; c—1837; d—1827
- How many senators did Illinois elect to the current General Assembly?
a—59; b—58; c—57; d—56

(Answers on page 22)

ILLINOIS HISTORY QUIZ

Do you know the name of Illinois' first governor? Or when Jesse Owens won his four Olympic gold medals? Or the year of the famous Lincoln-Douglas debates?

Answers to these and more hundreds of questions about Illinois will be answered in a

new Illinois history quiz series that will begin in THE ANTIOCH NEWS.

The questions will be on a variety of subjects related to Illinois history, according to William K. Alderfer, state historian and executive director of the Illinois State Historical Society, sponsor of the series. Each question will be followed by a list of possible answers so that even a second-grader could run up a passing score.

Christian Science Churches

We read in St. Matthew 15 how Jesus healed those that were lame, blind, dumb, maimed and proved sickness had no power over the real man made in God's image and likeness. This is described and taught in the Lesson-Sermon this week entitled "Are Sin, Disease and Death Real?"

From Science and Health with Key to the Scriptures by Mary Baker Eddy we read "Divine Truth, Life, and Love gave Jesus authority over sin, sickness, and death. His mission was to reveal the Science of celestial being, to prove what God is and what He does for man".

Members of First Church of Christ, Scientist, BEACON HILL, Rte 173 and Harden, Antioch, Illinois invite the public to come to the Sunday services held at 11 a.m. All are welcome.

ABBOTT DECLARES DIVIDEND

Directors of Abbott Laboratories today declared a regular quarterly dividend of 27 1/2 cents on each outstanding common share and 50 cents on each of the outstanding Series A preferred shares.
 Both dividends are payable November 15, 1972, to shareholders of record October 20, 1972.

"SEQUOIT HAPPENINGS"

BITS AND PIECES

By: Taffy Engelhardt

The hustle and bustle of Homecoming is beginning already. Although the actual date of homecoming is October 21st, classes, a few clubs, and Student Council have a great amount of planning to do that is usually overlooked by most.

Back-to-School Night proved to be quite a success. There was a good crowd. The parents went to classes for five minutes each. Speeches were presented by superintendent Warren Polley and the president of P.T.A., Gilbert Krahn. In conclusion, everyone gathered in the Commons.

The varsity wrestling cheerleaders sponsored a Bake Sale on Saturday, September 30. They were stationed at the State Bank of Antioch from 9-1 and made a very good profit.

Saturday, October 7 will be Parents Day for the varsity football players and cheerleaders. The game will be against Grayslake at home.

Congratulations to Debbie Pilcher who was chosen as the new colorguard member.

EXECUTIVE BOARD MEETINGS

Sophomore

The sophomore executive board meeting was very brief. Homecoming colors will be brown, yellow, and orange. Float themes were discussed. A design for the gym was chosen. There was a reminder of the Rap Forum. The sophomores wish to sell candy and/or candles as money-making projects and they feel it would be wise to start before homecoming.

Junior

The minutes were handed out. A float title was decided upon and ideas for Homecoming Spirit Week were discussed. Homecoming is unusually organized for this time of year.

There were people chosen for concessions and also it was decided that there would be a

sign-up sheet for those not on executive board to work on concessions.

Prom committees have been meeting alot lately. Holiday Inn has been checked into - there will be another prom committee meeting to complete plans for the location of prom. Meeting adjourned.

FOOTBALL PEP ASSEMBLY

Friday, September 29 featured a pep assembly to promote school spirit and also to introduce this year's varsity football squad.

The JV and Varsity cheerleaders started out with some cheers and throughout the assembly, classes gave their competitive battle crys.

Coach Nelson then came out and gave one of his very inspiring pep talks. By the way, the entire assembly was conducted without a microphone. It is amazing to see a gymnasium full of noisy students instantly turn silent at the first word spoken by Coach Nelson. He is greatly respected. He then introduced the coaching staff and our varsity football team and managers. The crowd showed great enthusiasm as Coach Nelson spoke of his great hopes for our team. He closed his talk with a victory statement.

The cheerleaders ended the assembly by leading the crowd with some more cheers.

STUDENT

COUNCIL MEETINGS

There was a Student Council Meeting on Tuesday, September 26. As there was not a quorum, the meeting was very brief.

Back-to-School-Night guides were chosen and given specific instructions on where to meet, etc.

Mike Perrone told us of his meeting with Mr. Polley: it concerned the number of school days required, the number of institute days, and snow days required. These things were questioned in Pat Ronan's report and we decided it was necessary to be investigated. Mr. Polley also gave Mike a school calendar.

It was suggested that a Treasury Report be published

in the newsletter.

Homecoming will be from 8:30 to 11:30 this year as was stated in the contract with the band.

PEP CLUB

On Thursday, September 28, there was a brief pep club meeting. We voted for Pep Club Officers. The results are as follows:

President: Wayne Jones
Vice Pres.: Sandy Wiegert
Secretary: Patti Carnow
Treasurer: Marla Kessler,
Bev Wiegert

Plans have been made for the Varsity Cheerleaders to come in and teach the pep club all of the cheers.

Sherri Engelhardt

MAN'S

WIERD BEHAVIOR

Man is a curious and sometimes illogical creature prone to fits of - pardon the expression - wierd behavior. Now, I'm not trying to "cut down" Manking, I'm just merely exposing his more ridiculous side. For instance, yesterday in the Commons here at Antioch High I saw a young lad walking around eating Fritos. Now what's so unusual about eating Fritos? Not a

thing, it was the bag he was eating them out of. The bag was now get this-the bag was opened on the side! The top and bottom was intact, it was just the side that was opened! How can we allow this sort of person to be wandering around loose? I for one am totally against these radicals, they go against everything American: such as baseball, hot dogs and Mom's apple pie.

I saw another oddball a while back, he had just purchased a frozen popsicle, and what did he do? He pulled the stick out and ate the said popsicle with his fingers. I know that you are just as shocked about this rash display of dissent as I am! I was so astounded that I dropped my American flag and hot dog. My fellow Americans, I stoutly believe that this is a by-product of Communism! Yes, I know that this sounds harsh, but I'm afraid that we have to face facts. If this isn't brought under control we may all be eating Siberian sardines.

Randy Murphy

A.B.C. LUNCH COMPLICATED AS X.Y.Z.

The lunch program as Antioch High School is good, but the division of students into A.B.

and C. lunch periods is scrambled like eggs. In A lunch period it seems as though the whole school is eating lunch, and it's almost as bad during B lunch period; but when it comes to C lunch period there's a bunch of freshman, a few sophomores, fewer juniors and even fewer seniors.

This is just my opinion, and it may not be worth a plate of beans to anyone, but I think some of the teachers in A or B lunch should arrange to have their classes changed to C lunch period and try to evenly divide the students into the three lunch periods. This way we would have three push and shove matches instead of two World Wars and one peace session.

Shayne Shroeder

JOURNALISM NEEDED

Journalism is one of the most exciting careers that a person could ever choose. Journalism offers the best things in life, such as meeting many great and important people, or just meeting ordinary people, who actually are the greatest kind of people.

Journalism is the kind of a career where a person can employ all his creative abilities. There are many numerous fields that are related to journalism, such as the news media, radio, and TV. Many people feel that journalism only relates to newspaper. But actually there are so many different areas of need for journalists that they're too

A very happy 48th anniversary to Tom and Harriet Runyard, who celebrated on September 25. Celebrations were the order of the week for the Runyards as also on the 25th their daughter Margaret McKenney celebrated her birthday and on September 23rd their grandson Mark McKenney married Helen May Zeien, at St. Peters Church. Mark is the son of Lee and Marg McKenney and Helen is the daughter of Dutch and Helen Zeien. All are native Channel Lakers.

On Monday, September 25th, Walt and Marge Soderman, Marie Bobo and this reporter attended the Railton Food Show at the Wagon Wheel in Rockton Illinois. We enjoyed a delicious turkey dinner plus samples of many of the Railton's fine food products. We thoroughly enjoyed touring the beautiful resort, including the ice skating rink where olympic star Janet Lynn practices daily. The town of Rockton is a lovely place to visit, also, as all the store fronts have been remodeled to resemble a quaint old fashioned town of the 1800's. Its only a short hours ride away if you have wanderlust on a weekend and feel like taking a ride to some place different.

On Tuesday afternoon, September 26th, the PTA officers and room mothers had a get-acquainted tea for the teachers at Channel Lake Grade School. Chairman for the event was Lorraine Lemke who did an outstanding job of lining up all the delicious baked goodies to go with the tea and coffee. The teachers enjoyed themselves despite the added calories.

Kitty Purfeerst is back in first grade at St. Peters after spending two weeks in St. Therese Hospital recently. Kitty is the daughter of Don and Dorothy Purfeerst of Woodbine Ave.

Let me know the news.
Louise

A MILLION PENNIES TURNS INTO 20 MILLION DOLLARS

In 1954, Dr. Kate Newcomb and the Lakeland area engaged in the "Million Penny Parade" to build a health facility for the residents of the Northern Wisconsin Area. The drive was a great success. The hospital was founded in the same year by Dr. Kate, who was widely known in Northern Wisconsin and around the country as the "Angel on Snowshoes". She was the inspiration behind the communities drive to collect more than \$100,000 in pennies.

Today another outstanding person has emerged and the pennies have turned into million dollar bills.

When Howard Young, a long time resident of Minocqua and a

DRUG ADDICTION

A recent survey conducted with the "Man on the street" revealed that 57 percent of those surveyed knew someone who was using drugs. The road to despair may start with glue sniffing and end with heroin and death. It is estimated that half of the "hard drugs" users are under 21 years old and a study of the colleges and universities of one southern state revealed that more than 2000 students a year drop out due to drug addiction. 70 per cent of the inmates of another state's prisons were convicted of crimes related to drug use.

The traffic in drugs is an extremely profitable business. The overseas farmer is paid about \$12 a pound for opium from which heroin is refined. The retail price for heroin in the U. S. is about \$100,000 a pound. This is the reason why the drug pusher is willing to take the risk of arrest. Federal narcotics agents have only been successful in stopping about 15 per cent of the heroin shipments to this country.

Progressive drug experts have been urging more emphasis on rehabilitation of drug addicts and Congress is now considering a bill toward that end. It is important that drug usage be detected early before the individual falls prey to the hard drugs such as morphine and heroin.

The Conservation Institute, a not-for-profit organization, is offering a narcotics identification guide, free of charge to the public to aid in the early detection of drug usage. Send a self-addressed stamped envelope to the Conservation Institute, P.O. Box H, Dwight, Illinois 60420.

JOURNALISM NEEDED CONTINUED

numerous to mention.

For those college bound kids in high school, why don't you try the field of journalism, or take any journalism course you can while you're in high school. Then this way you can see just how fascinating it can be. If you're the kind of person who longs for excitement, then journalism is your field.

Two Sequoit Suzles, Rosemary and Rosline Scheske, help prepare the groups display which will be on view at the Antioch Township Library all during 4-H week. Literature will also be distributed to all persons who want to know more about 4-H. (staff photo)

JOURNALISM DAY OCT 7

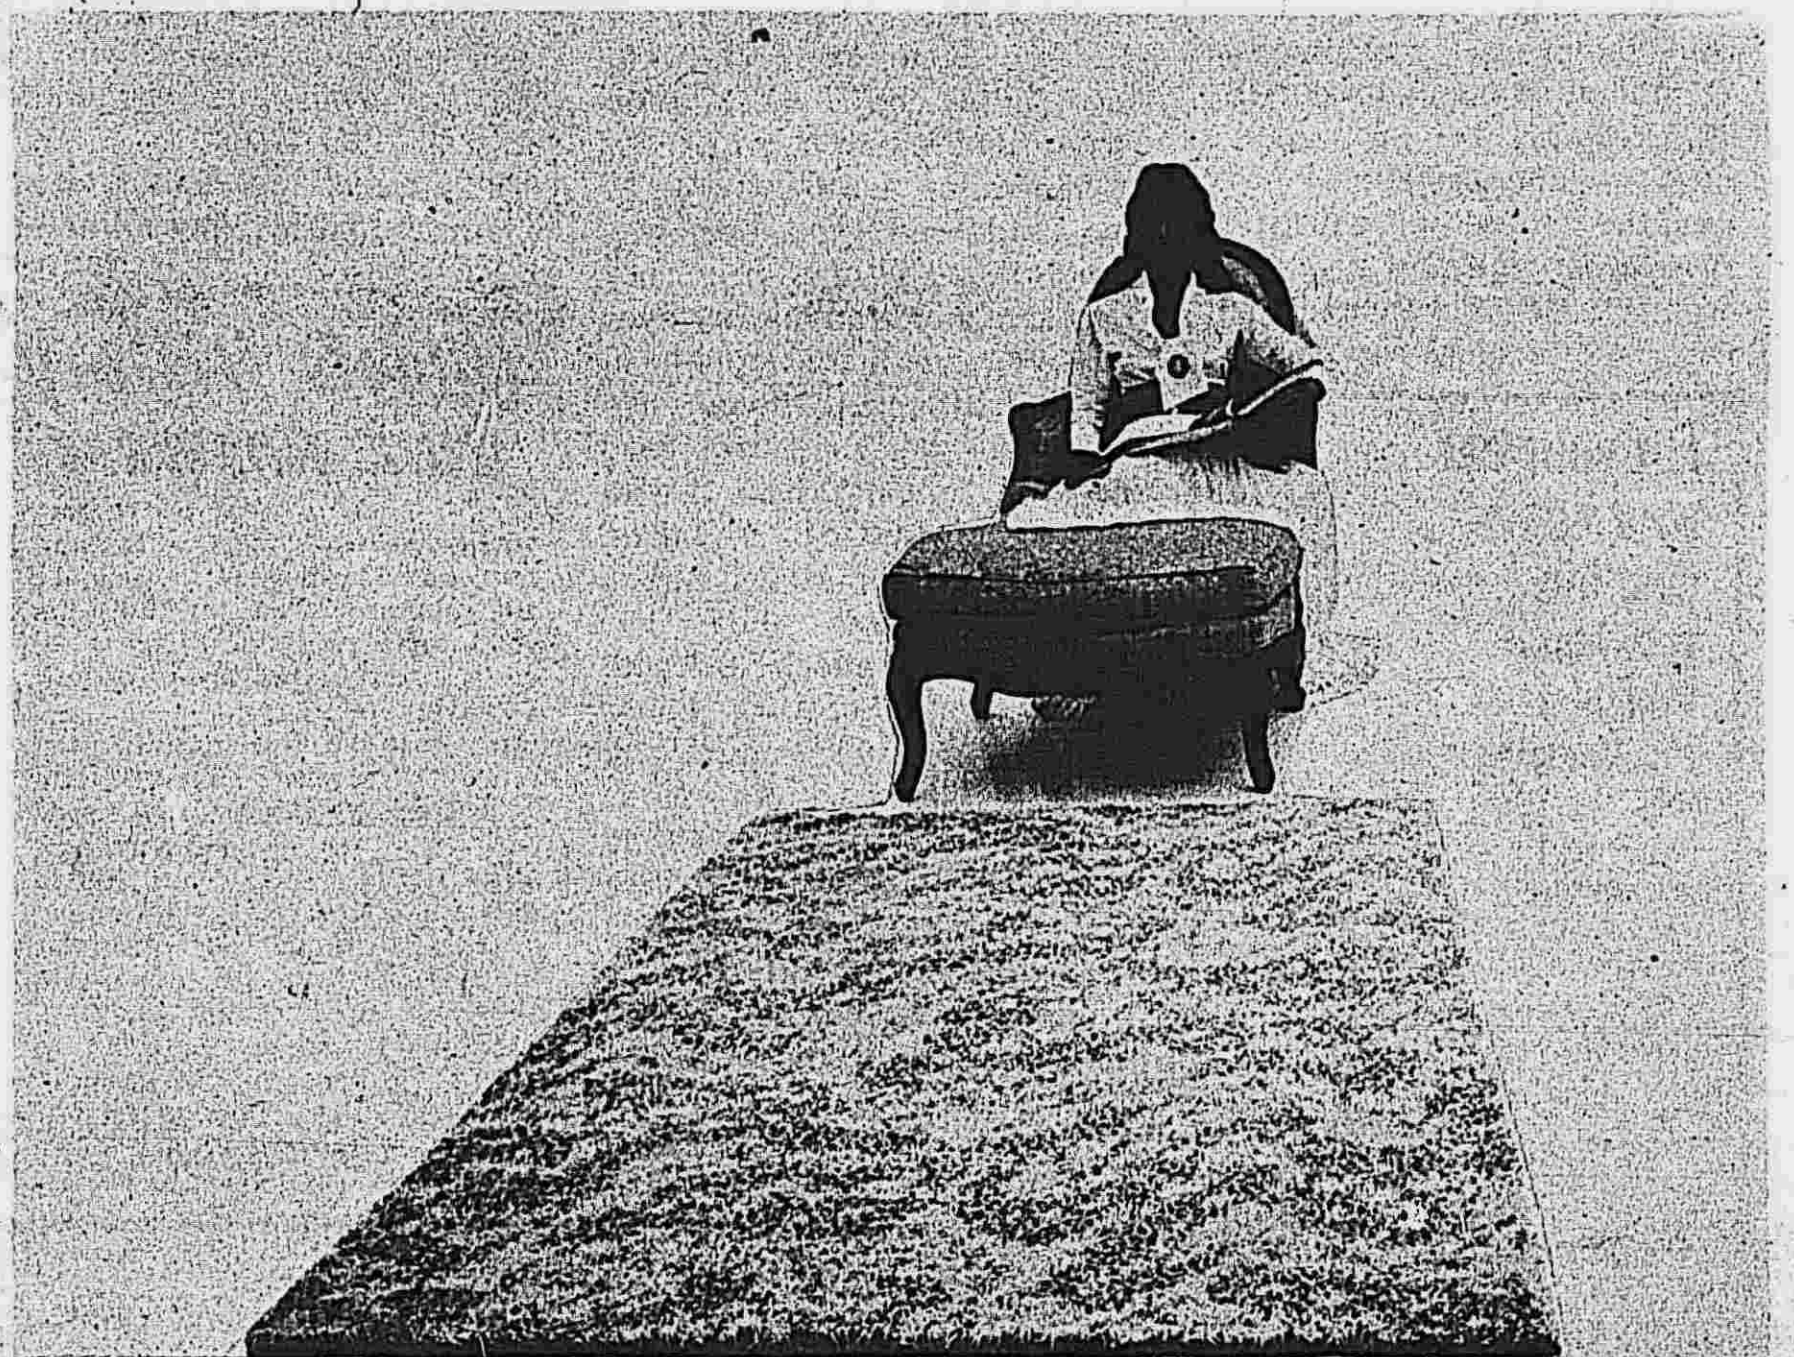

An outstanding group of speakers and panel members at Lake County's first Journalism Day October 7 promises to make the day-long workshop a lively and thought-provoking occasion for both journalism students and professionals.

Featured speaker for the

workshop's luncheon period will be Dr. Curtis MacDougall of the Northwestern University Medill School of Journalism. Dr. MacDougall is a nationally-known educator and journalist and the author of a recent book on interpretive reporting.

The Lake County Association

of Journalists, sponsor of the Journalism Day, has put together a full program of informative talks and practical instruction for workshop participants. For detailed information on the day's program, tune into radio station WZBN

With a Stern Eye

Long time readers of the "Stern Eye" are aware that the author has pursued a continuing struggle with Demon tobacco. And this week found her once again, thumb in mouth, trying to break the habit. Only the least facial tic was evident.

"I haven't had one since 7:30 last night - no, 7:26 it was when I snuffed it out," I told Fred and Terry the other morning.

"I can see it's going to be some day!" said Terry.

"I want to discuss ballot order for November 7th - and the information we've got about rotating names. Would you both come in to my office for a moment - and Fred, would you just leave your pipe outside?" They came in; Fred left his pipe outside.

"I've been amassing this information from Ike in Data Process, from other countries, and some just miscellaneous comment. So far as I can tell - 'I got up and began to pace a little.' - other countries have used the rotated ballot order in Primaries, and the computer seems to be able to handle it though it is very complicated

and very hard to check against error - but no one so far as I can find out, uses the rotational system at a General Election." I sat down. Then I got up again. "Because of the delay in waiting for the outcome of the Communist Party suit, we are nearly a week late already. It may in fact be too late to--"

"Why don't you sit down and relax?" said Terry.

I did. "You know, I really want to do this in the least partisan way possible. If I just - plunk - put the Democrats first on the ballot, we're going to have to take an awful lot of flak--"

"The Republican Party was always in the ballot position of greatest advantage, and we didn't even squak about it, because that's the name of the game. Why should the rules change now that we've got the office?" Terry is very logical in a big 'D' Democratic kind of way.

"Actually," said Fred, "I like the idea of rotating the names much better. It's fairer to everybody in every possible way. But - on the other hand, I don't really believe very much advantage accrues to the guy who is No. 1. Look at Norm Geary in the County Board Election: he was buried at No. 4 on a five-slot ballot, and he attracted more votes than any other candidate in any District."

"Ike says the computer can handle the rotation. It's not too easy to adapt the program, but it can be done. The problem he says, is the one of checking for error and control over your equipment--" I was aware, by the maddened eyes upon me, that I was cracking my knuckles and blinking my eyes in rhythm with the tapping of my foot. I stopped. "If you write your program so it will read Antioch Precinct No. 1 with McGovern first, then Nixon, then the Socialist Labor candidate and then the Communist - Antioch No. 2 with Nixon first, Socialist Labor Second, Communist third, and McGovern at the bottom - if you prepare your computer to read those precincts that way, then you've got to make absolutely certain there is no foul-up in the filling of the machines for each of the 235 precincts with the correct line-up."

"And there would be four

different sequences--" said Fred. "No-correct that. When you get into the different Legislative and Congressional Districts that whole page would be different also - five different formats as a matter of fact - and then the rotation factor to be reckoned with also - there would be infinity variations--"

"Can't BE DONE," SAID Terry. "We'd be crazy with it even if we had time to do all the checking and re-checking necessary. We'd have to run a tremendously complicated test deck-in fact I'm sure both political parties would prepare one also."

I began making a chain of paper clips. "Do you think we would have some sort of uproar on Election Day from those precincts where the Communist Party was listed first?"

"Might, I suppose. But fair's fair, after all. When the Republicans had the County Clerk's office, there was never any effort made--"

"All right, it's different now. We have to make a decision, and we have to make it now. But a partisan decision looks like a partisan decision." I tied the paper clip-chain into a running bowline-not easy.

The silence extended. Then Fred said: "Frankly I don't see how we could implement the rotation plan in the time we have left. Not this year anyway

It's too chancey. We'll just have to be arbitrary this time." Terry nodded emphatically.

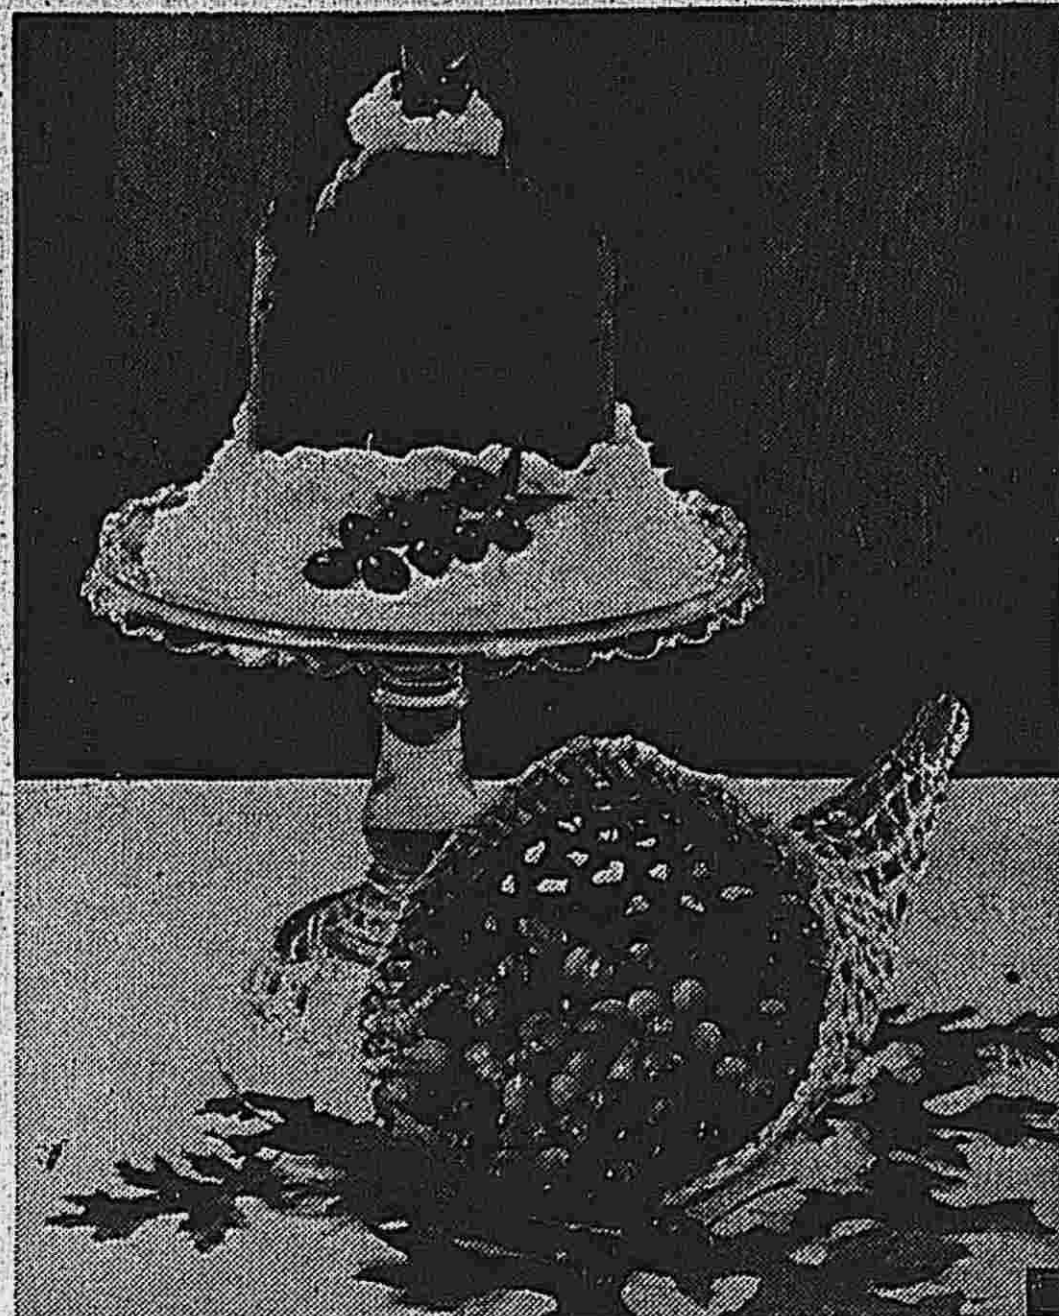

And I could only agree. "It will be Democrats first then. We have no choice this year, but to look like partisans."

I noticed my hands were clammy and my feet numb.....

Illinois History Quiz Answers

1-b. Shadrach Bond, a native of Maryland who was inaugurated at Kaskaskia on Oct. 6, 1818.
2-b. four: Robert Todd Lincoln, the oldest of the four sons was the only one to live to maturity.
3-d. Kaskaskia, which was the capital for only two years, 1818 to 1820.
4-c. 1837, the day was Nov. 7 and Lovejoy was shot while defending his printing press from the mob that had already destroyed three presses.
5-b, '58, the 1970 state constitution, however, provides for 59 senatorial districts and that number of state senators will be elected on Nov. 7.

Fresh Cranberry Pudding

Fresh cranberries are beginning to come to local markets and are at their very freshest best. They freeze easily, so buy all you need for your holiday baking and gift giving now while they are at peak quality. All you need do is pop the boxes or bags of berries into your freezer, unopened. When ready to cook, rinse, drain and use without thawing.

The cheery red berries add an extra festive touch to traditional plum pudding.

Cranberry Plum Pudding (Pennsylvania-Dutch Style) (Makes a 2-quart mold)

1 cup melted margarine	2 teaspoons ground cinnamon
1 cup dark molasses	1 teaspoon ground nutmeg
2 cups milk	1/2 teaspoon ground cloves
7 cups soft bread crumbs	1 cup candied fruits
2 cups all-purpose flour	4 cups (1 pound) Ocean
2 teaspoons baking soda	Spray fresh cranberries,
1 teaspoon salt	rinsed and drained

Combine margarine, molasses and milk until blended. Stir in bread crumbs and beat until smooth. Stir in remaining ingredients and beat until well blended. Pour mixture into a heavily buttered 2-quart mold. Cover with wax paper. Set into large kettle on a rack above 1 inch of boiling water. Cover kettle and steam pudding for 4 hours. Add water from time to time to keep kettle from running dry. Remove from steamer and let stand for 10 minutes. Tap to loosen and invert on a platter. Serve warm topped with hard sauce or sweetened whipped cream.

To age the pudding, wrap in cheese cloth which has been dipped in brandy, then wrap in foil and store in a cool, dry place. To reheat for serving, prop pudding (in cheesecloth wrapping) over a rack in a kettle containing an inch of boiling water.

RIFLES ADDING TO COMFORT OF FANS

Facilities surrounding the football games of the Lake County rifles are being improved to add to the comfort of fans who come to the games at Carmel Field in Mundelein.

The action is being initiated by the Rifles management because they believe their games are fine Saturday night entertainment for the entire family and they want their patrons to enjoy themselves

while at the game.

Washroom facilities will be improved and signs will point the way to indoor washrooms for women and men. In the past portable toilets were used but did not always provide the kind of comfort fans might prefer.

The concessions are being improved with the addition of a stand on the east side of the football field, with a larger variety of food being offered

and with more adults selling food and drinks in the stands, replacing children.

In addition the Rifles are more than doubling the number of people who will help park cars and direct traffic coming and leaving the game. This is expected to help eliminate some traffic jams and to make sure that fans are able to get into the stadium on time.

As another part of this effort the number of ticket sellers will be increased so that fans will not have to stand in line to buy tickets. In addition there will be three times as many policemen at the games for crowd and traffic control both inside and outside of the parking and field areas.

All of these efforts are aimed at making Lake County Rifles fans more comfortable at the games, according to the management of the professional football team.

DEPUTY REGISTRARS AT TOWNSHIP LOCATIONS

Lake County voters no longer have to travel to Waukegan to register. Now through Deputy Registrars commissioned by County Clerk Mary Grace Stern, unfranchised Lake Countians will be able to visit one of many township locations to be eligible to cast a November 7 ballot.

Nearly 200 Deputy Registrars will serve Lake County township areas until October 10, the last day an Illinois resident may register for the Presidential election.

Because of recent Illinois and U.S. Supreme Court rulings, those eligible to vote in the national election must only be a resident of their precinct for 30 days prior to the election and must be at least 18 years of age by November 7.

Deputy Registrars are located in most village hall and township offices. Those who cannot visit their area governmental offices should call the county clerk's office in Waukegan or their municipality clerk's office, in order to determine the nearest Deputy Registrar.

"You can't vote if your not registered. The Deputy Registrars should allow the new voters and those that have not

voted in the recent past the chance to become involved," said Craig Fobes, Northern Lake County McGovern-Shriver coordinator. "We are planning extensive canvassing in the Antioch-Fox Lake-Lake Villa-Grayslake-Warren-Newport-Round Lake areas particularly looking for unregistered voters, regardless of political affiliation."

MR Larry Herber, Scout Master of the Lindenhurst Troop 83, happily receives the second prize check from President of the Antioch Chamber of Commerce, Mr. Hilliard Tobieski. This was the final award presented to the Scouts who took part in the Mid-Nite Madness Parade this August 21st. (staff photo)

FREE MEAL POLICY

Emmons Grade School of Antioch has announced a free meal policy for school children unable to pay the designated price.

Local school officials have adopted the following family size and income scale to assist them in determining eligibility.

Family Size	Annual Gross Income	Monthly Gross Income
1	\$2,420.00	\$201.00
2	3,180.00	265.00
3	3,940.00	328.00
4	4,680.00	390.00
5	5,380.00	448.00
6	6,070.00	505.00
7	6,700.00	558.00
8	7,330.00	610.00
9	7,900.00	658.00
10	8,470.00	705.00
11	9,040.00	753.00
12	9,610.00	800.00
Each additional family member	570.00	47.00

Families falling within these scales or those suffering from unusual circumstances, or hardships, or are receiving public assistance are urged to apply for free meals for their children. They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available at the business manager's office in the high school and the principal's office at St. Peter. Applications may be submitted any time during the school year. The form itself is simple to complete and requests information needed to determine economic need based on the income and number of persons in the family and any unusual circumstances or hardships which affect the family's ability to pay for school meals.

HUNTER'S WARM UP SHOOT

The 1972 hunting dates have been set, and now the eager hunters are champing at the bit, as they wait for "the day" to arrive.

To pass the time rapidly, and to give these nimrods some much needed practice, Antioch's 885 Civic Club will hold their 4th Annual Hunter's Warm-Up Shoot on Sunday October 15th on the grounds of the Northern Illinois Conservation Club, 3 miles west of Antioch on Route 173. Shooting will start at 9 a.m. and continue until dark.

Non hunters too will go for this event, since they can get in

some fancy shooting and fill up the larder with some fancy vittles at one and the same time. Hunters will like this one because they too can stock up the freezer with ready-to-cook game for sure, while a foray into field or slough carries no such assurance.

All will be firing at clay targets in a variety of events designed so that all classes of shooters will be certain to win a fair share of the goodies.

On the line will be rock cornish hens, chickens, ducks, turkeys and JoPat all-beef patties.

At the top of the list of bargain

SPORTS

shoots is the 3 for \$1 Cornish Hen-Beef Patty Shoot, to be shot in three events which will make it possible for good shooters, poor shooters, and lucky blokes to win an equal share of the prizes.

In one event, the Hi-Lo-White Bird Shoot, the highest scoring gun wins a hen; the lowest scoring shooter wins a hen, and so does the lucky Joe who bags the white target.

Another event, the Two White Bird Shoot, makes it possible for two luck Shot gunners to win hens by breaking the white targets which are thrown from the traps at unknown intervals, while the high scoring sharpie gets the third bird.

For the hot shots, the Winner-Take-All Event, as its name indicates, gives all three cornish hens to the high scoring gun.

Winners may claim JoPat beef patties instead of cornish hens, if they prefer. Or they may shoot for beef patties.

Chickens will go on the firing line in 1,2,3, and 5 White bird Shoots, with the high gun in each case winning a chicken, and the lucky gunners who break a white target getting a

hicken too. Missed white targets are thrown again and again until broken. Here too, shooters may claim beef patties instead of chickens. Regular targets are black, with yellow tops.

Ducks will be won in high scoring events only. In the Turkey Shoot, the high scoring nimrod wins a turkey, while the lowest scoring hopeful gets the bird - a chicken.

All events are shot by five-man squads from the 16 yard line. In all contests, ties for high may toss a coin or shoot off from the 25 yard line. Ties for low will be decided by the toss of a coin.

Non shooters can also participate in the fun. They may shoot at stationary targets and win themselves some of the goodies. In this contest, a shot is fired at a cardprinted with an X in a circle, and the lucky one whose pellet comes closest to the center of the X wins two chickens. The 885 Club will have sweet rolls and coffee in the morning and hot roast beef sandwiches all day long.

Proceeds from this event will be used by the 885 civic Club to fund their planned civic projects.

J.P. GATTI WINS 9th FEATURE RACE

J.P. Gatti, Jr., of Chicago won his 9th feature race of the season Saturday night by passing Joe Horn of Zion with one lap to go in the final races of the 1972 season. Gatti won all the races he entered.

The night was one of the coldest of the year and the demolition scheduled for the final event seemed to start early as every race with the exception of the trophy dash had to be red-flagged. The actual demo ended up in a four-way-tie as two cars ruptured gasoline tanks and the hazard of a big fire forced the event.

Chuck Bostick of Waukegan nailed down second in point standings with a fifth place finish in the feature. Ted Richter of Libertyville saw his chances for second disappear in the first lap of the feature when his axle broke in the midst of a six car pile-up.

Horn took the feature lead in the second lap and Gatti was second on the sixth lap. By the 10th lap Gatti was on Horn's rear bumper and these two thrilled the crowd lap after lap.

Gatti took to the infield several times and finally edged in front of Horn in the 24th lap. Don Ellgass of Ingleside, who was second in time trials, took third money with Dennis Heiskala of Wadsworth fourth.

Gatti took to the infield several times and finally edged in front of Horn in the 24th lap. Don Ellgass of Ingleside, who was second in time trials, took third money with Dennis Heiskala of Wadsworth fourth.

Gatti's close win in the feature wasn't the only close one as he defeated George Garrett of Zion in the last lap of the dash. The first hobby heat saw Jack Hemmings of North Chicago edge Abel Avilla of Wauconda by a headlight at the finish.

Dexter Lewey of Waukegan nearly flipped in that race, but he still won the hobby stock title with Hemmings' second and Andy Edmonds of Waukegan third. George Dukas of Zion was the sportsman champ.

Racing will resume in April at the Waukegan track.

RIFLES ELECT TWO OFFICERS

John Nicosia, 305 W. Hackberry Drive, Arlington Heights, a National Tea store executive, was elected vice president of the Lake County Rifles Professional Football Team.

Richard Foreman, P.O. Box 143, Wauconda, regional sales manager for Wynn Oil Co., was elected treasurer of the team, which has offices in Libertyville, Illinois.

Both men succeed John Johnson who resigned these two offices and from the board of directors of the club. Foreman also replaced him on the board of which Nicosia already is a member.

1972 PUNT,PASS AND KICK WINNERS

Winners of the 1972 Punt, Pass and Kick tournament l to r are: 13 year olds; Jim Perlstrom - 236, Matt Warner - 221, Marvin Gibson - 186; 10 year olds; Dick Smith - 204, David Froom - 188½, Jon Gibson - 158; 12 year olds; Richard Otterson - 226½, Alfred Roth - 221, Brian Andrews - 215; 9 year olds, Johnny Schmidt - 183½, Kevin Hassett - 117½ Keith Larsen - 142½; 11 year olds, Scott Gallagher - 174½,

Walter Nowakowski - 172½, Pat McCann - 167½; and 8 year olds, Gregory Aschbacher - 127, Steve Sheedlo - 118 and not pictured - Paul Sertic - 106.

Awards were presented on Tuesday night at Lyons and Ryan Ford-Mercury. (staff photo)

Meet the man who can keep you warm this winter.

He'll help end your heating problems—hard-to-heat areas, drafts, costly maintenance and repairs. And better yet, he'll show you how you can spend the entire winter with even, comfortable temperatures in your home.

His name is Bob Johnson.

And he knows just about everything there is to know about electric heat and what it can give you that your present worn out or outmoded system can't.

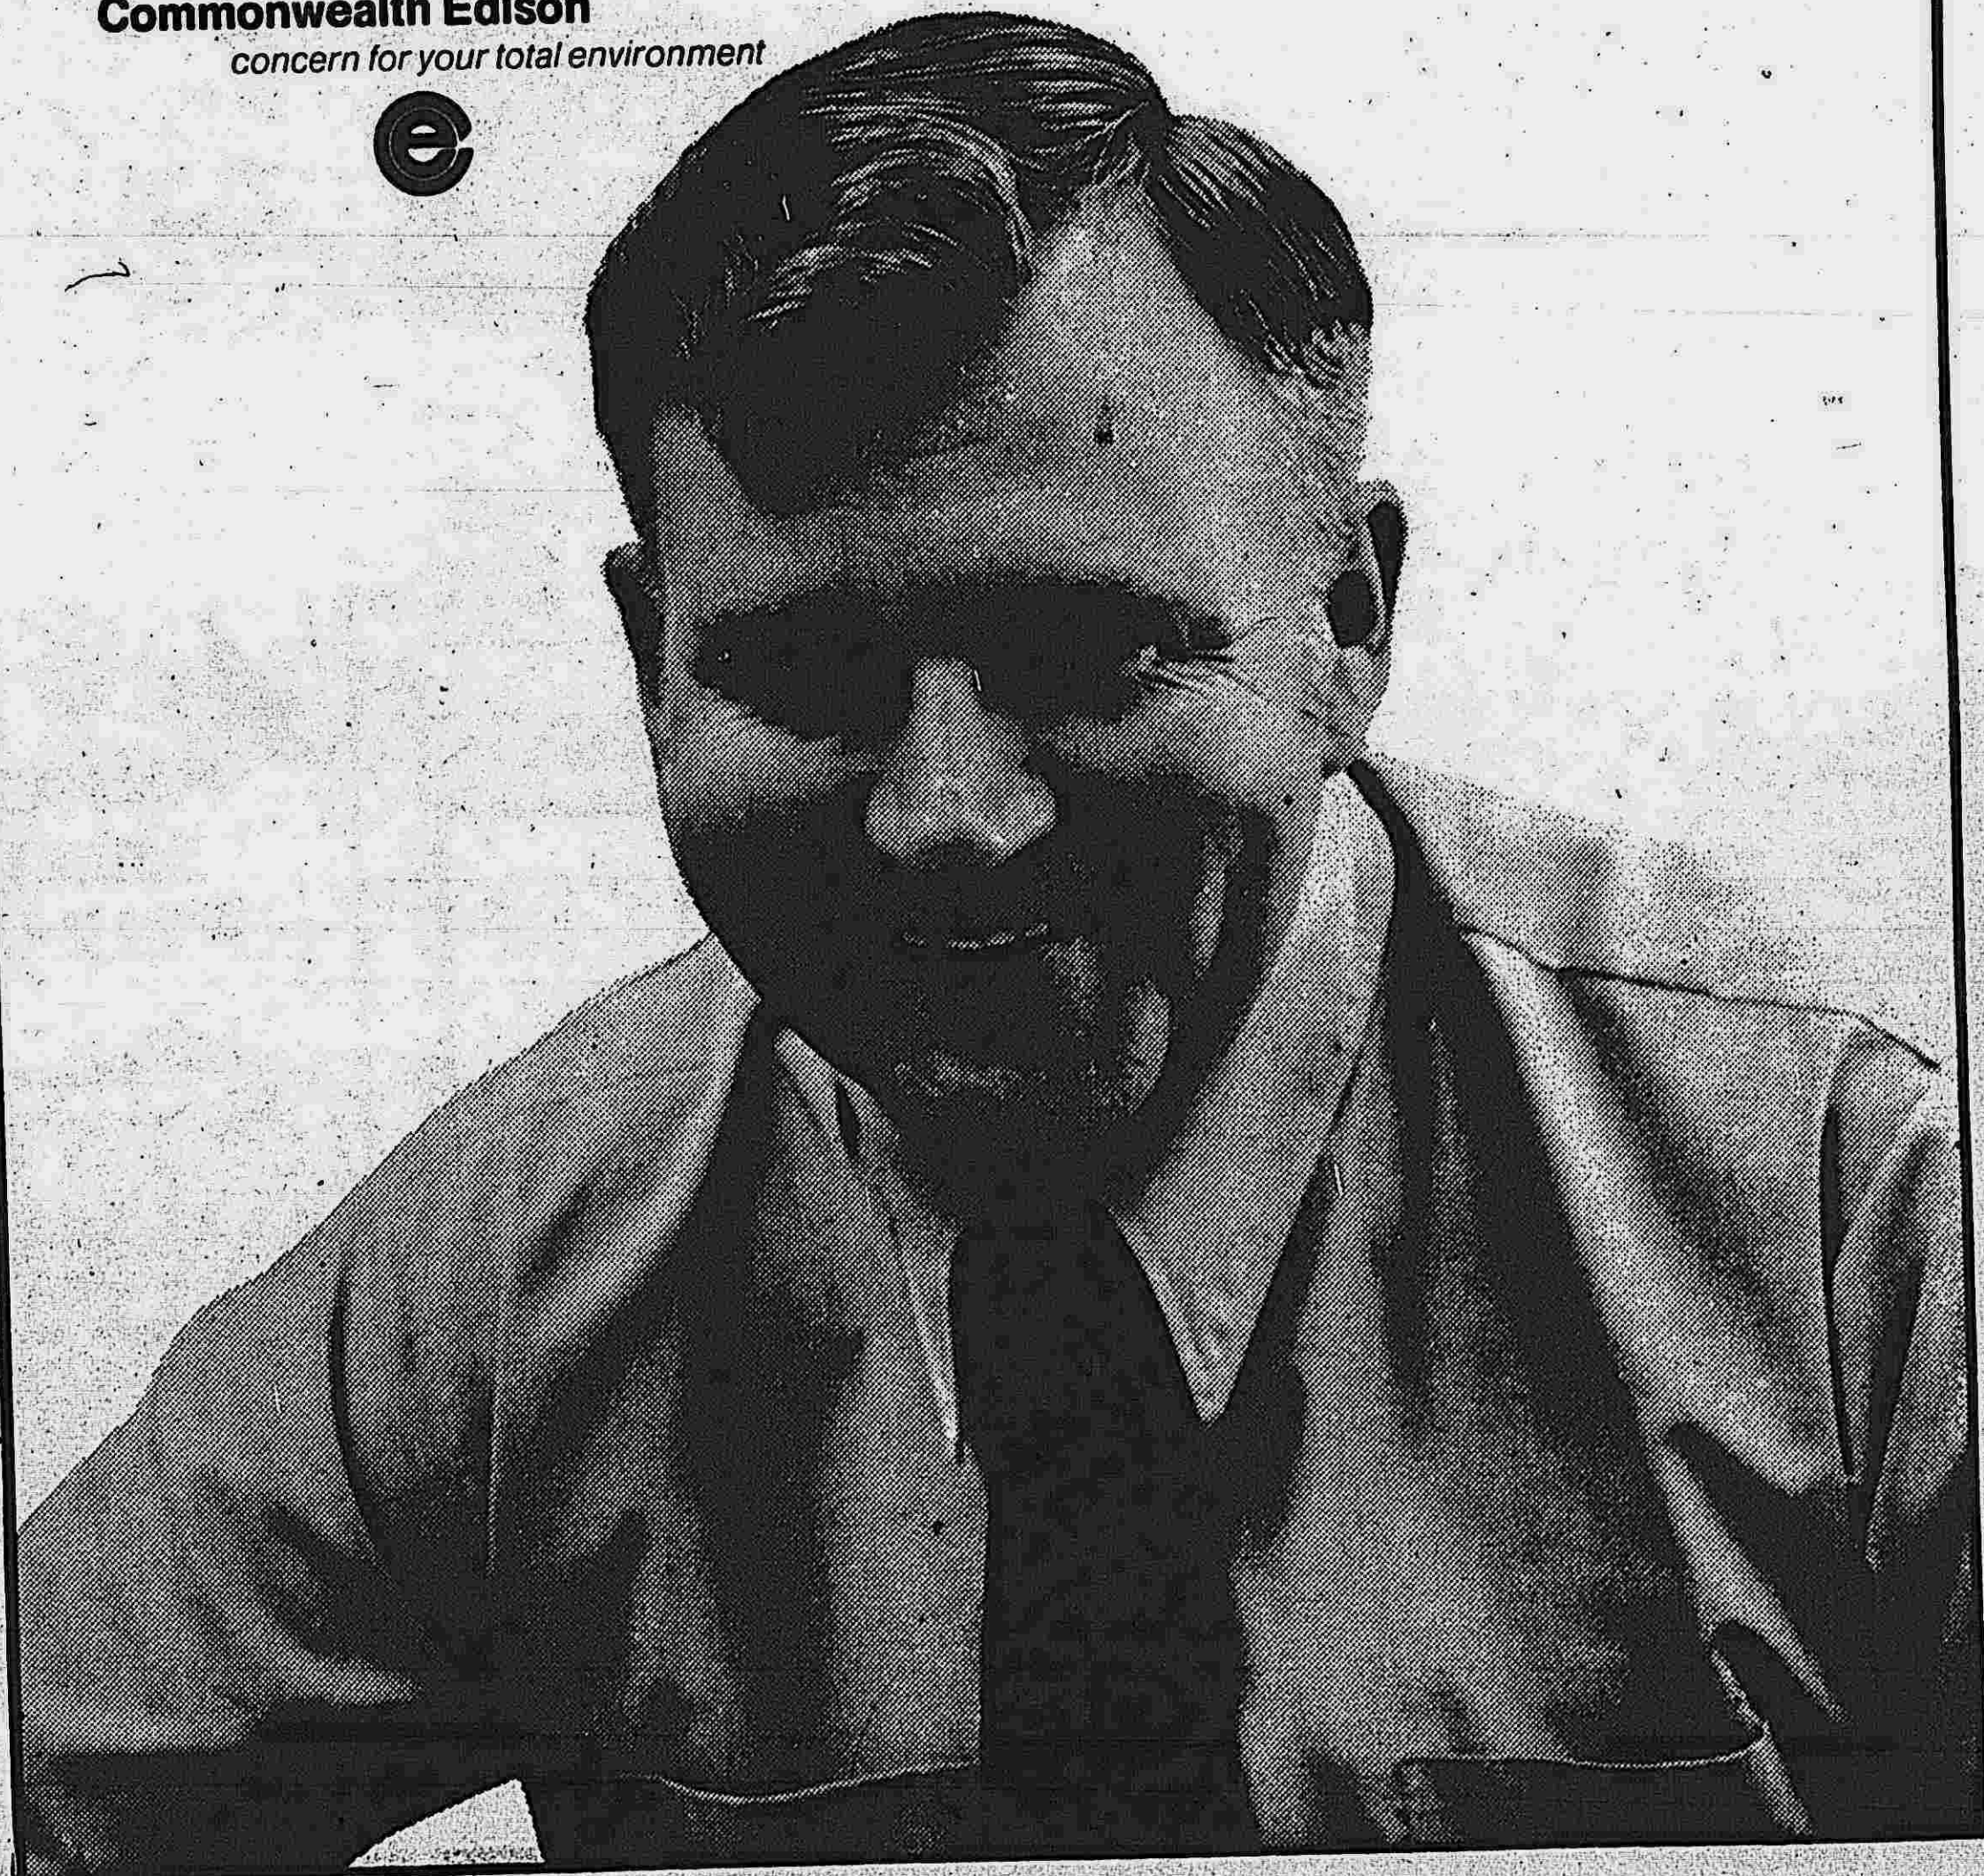

He'll explain why flameless electric heat is cleaner and more efficient than systems with flames. He'll answer your questions and help you choose the type of electric heating system that's best for you. He'll help plan and look after the entire job for you, recommend experienced electric heating contractors, and estimate your operating costs.

Please call him soon at 662-4000.

And ask about the money-saving conversion allowance, too.

concern for your total environment

LAKE FOREST 40 - ANTIOCH 7

With the game only 13 seconds and one kick old, the Lake Forest Scouts set the tempo of the game. A young man by the name of John Laggaretti ran the Sequoits opening kick-off back 85 yards for a T.B. Mr. Laggaretti was to visit the Sequoit end-zone a total of four times during the afternoon heading his championship bound team to a 40 to 7 victory over the Sequoits.

According to many persons in the know, this is the best team Lake Forest has put on the field in seven years and when the league play draws to a close this year I am sure everyone will agree.

It was really unfortunate that the Sequoits met the best team in the conference at this time. The Sequoit team was prepared to do a 100 per cent better than last week and for the most part did. Their defense line play improved, the secondary defense made a marked improvement, allowing only 1 Lake Forest pass to be completed. There is much work left but still a marked improvement over the Grant Game. The offense

had some bright spots also. As in the past, No. 33, Tom Pfahler carried the load, but No. 42, Bill Armstrong began to come into his own, carrying 11 times for 31 yards. Another encouraging area began to develop late in the game when the passing arm of Quarterback Fred Popp began to come around.

Although the score belies the fact, the Sequoits were a better football team last Saturday than they had been in the first two games and I am sure more improvement is on its way. So sure in fact of the remaining games left, 2 or 3 will be Sequoit victories. Next week it's the Grayslake Rams here at Antioch - also it's Parent's Day.

STATISTICS

	Ant.	L.F.
First Downs	5	11
Rushing yards	130	335
Passing Yards	33	39
Passes Attempted	16	5
Passes Completed	5	1
Passes Intercepted	2	0
Penalties yards	15	50

Varsity Cheerleaders (l to r) Dee Dee Molnich, Rita Haley, Taffy Engelhardt, Kathy Toft and Carol Wells, help keep the Sequoit spirit high even though their team went down to defeat. (Staff Photo)

RIFLES TO PLAY DEFENDING CHAMPS-RAMS

The defending champion, Rockford Rams, of the Central States Football League, will invade Carmel Field to play the Lake County Rifles at 8:00 p.m. this Saturday. Carmel Field is located off highway 176 in Mundelein.

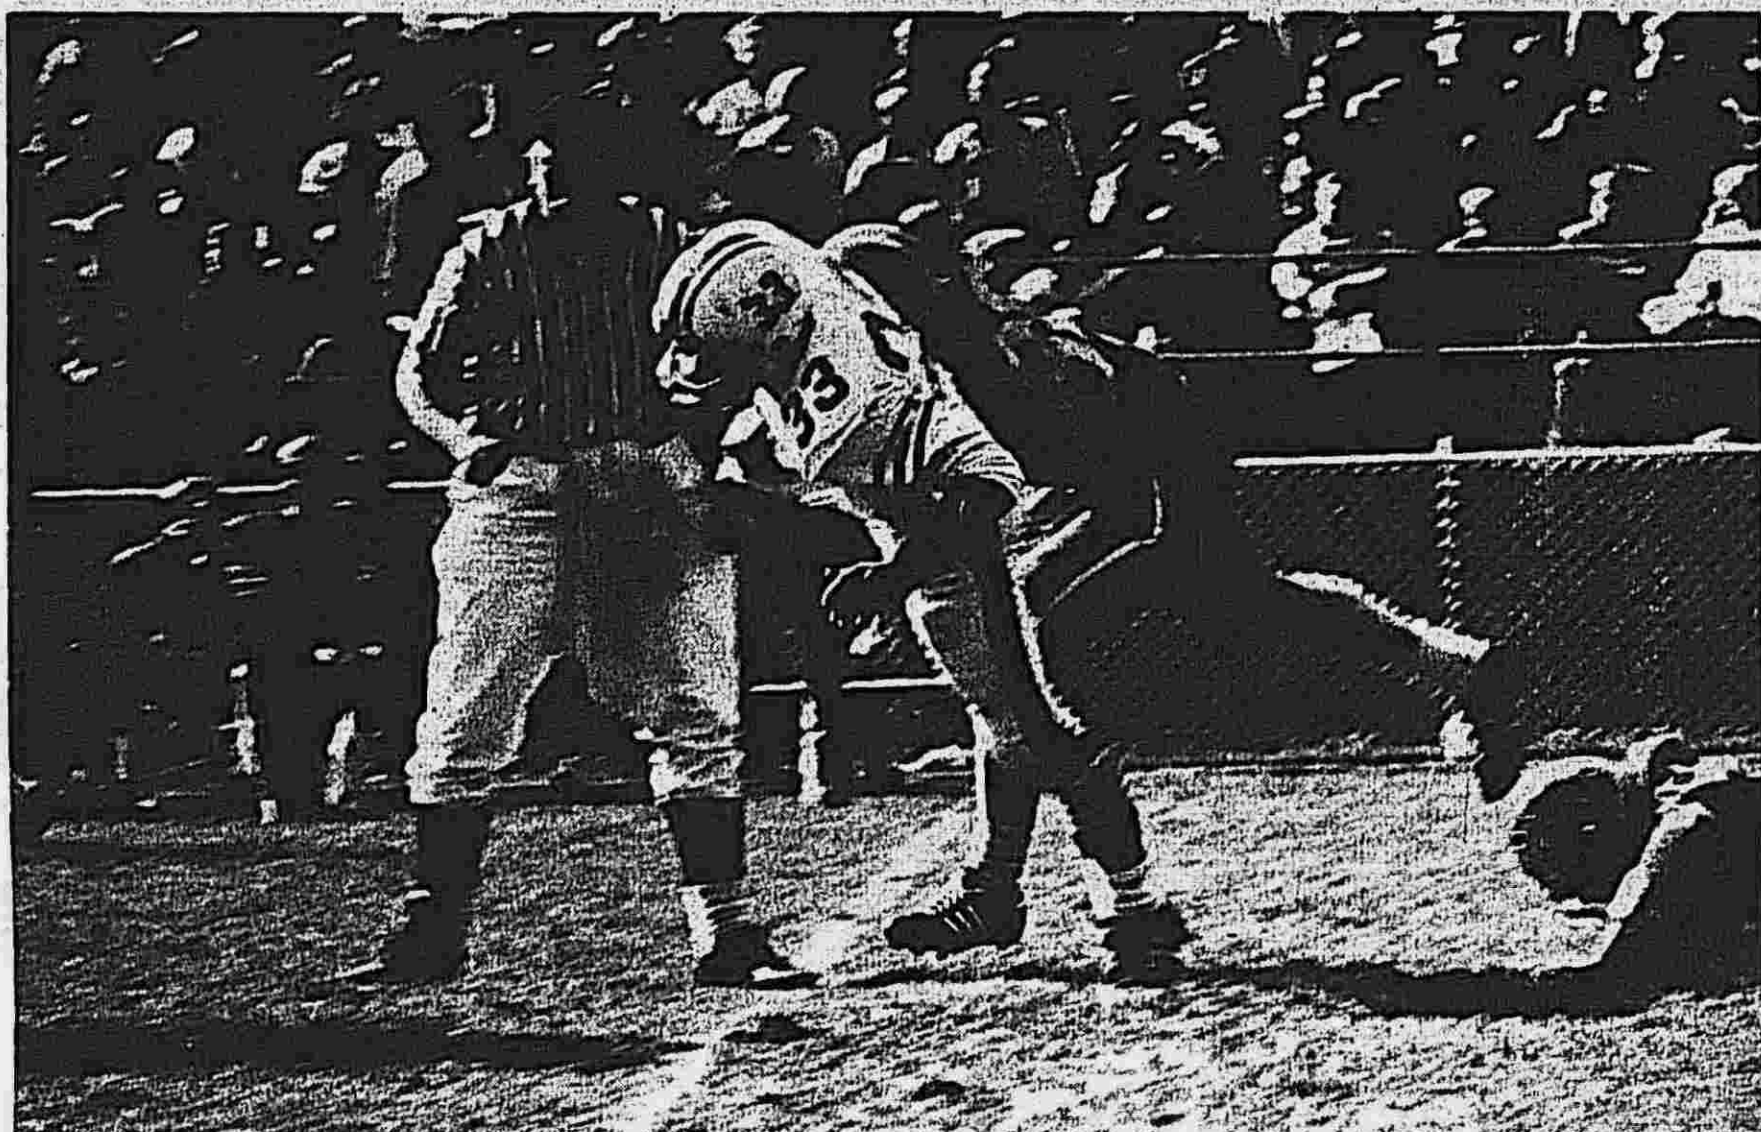

This will be an important game for Rockford as the Rams

must win it to remain in contention for a spot in the league playoff to be held among the first and second place teams in each division of the CSFL. The Rifles are in first place in the southern division.

There will be plenty of excitement surrounding the game that night. Starting at about 7:30 p.m. there will be a concert by the Mundelein High School band and a performance by the Z-B twirlers, Zion. The Mundelein band will perform at half time.

During the half time the Belvidere Mall, Lewis and Belvidere streets, Waukegan, will hold a drawing for \$1,000 worth of prizes for fans who picked up their entry blanks in the Mall.

The Carmel and Mundelein high school football teams and their coaches will be the guests of the Rifles for the Rockford game. In addition, all residents living in the Mundelein high school district for this game only will be able to attend at half price.

Tom Pfahler, No. 33, gives that second effort for five extra yards in Saturday's defeat by Lake Forest. Tom carried 17 times for 67 yards. (Staff Photo)

SOPHS BEATEN BY LAKE FOREST

The Lake Forest Sophomore Football team found an unprepared Antioch team last Saturday which led them to a 20-0 victory.

Antioch appeared lopsided as the Scouts pushed them up and down the field. Lake Forest scored early on drives of 53 yards and 55 yards. Antioch had one TD called back because of a penalty and the Sequoits could not mount another threat.

Lake Forest scored again in the third quarter after recovering a fumble on the Antioch 25 yard line.

Antioch was very generous in turning over the ball five times. Three of the turnovers were due to fumbles and two were due to pass interceptions.

Lake Forest dominated the statistics with 249 total yards to only 64 yards for Antioch. The Scouts ran 55 plays compared with 32 plays for Antioch.

Terry Lear provided some hope for the Sequoits by averaging a very good 36 yards on five punts plus making six tackles and five assists. Jon Sondag led the defense with 8 tackles and 2 assists.

Coach Norm Hahn claimed the blame for the loss. "I guess I failed to get them mentally prepared for the game. If you're not ready to play mentally, you can't do it physically against a team as good as Lake Forest."

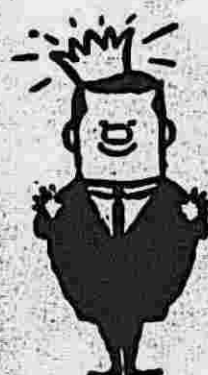

conservation practices - SIGNS OF GOOD HUNTING AND FISHING

Release of this brochure is in recognition of National Hunting and Fishing Day as designated by the President. The brochure contains drawings illustrating different conservation practices and a brief text identifying each

practice and gives tips to hunters and fishermen on maintaining good relations with land owners.

Conservation of renewable resources provides a better environment for all of us.

"CONSERVATION PRACTICES + SIGNS OF GOOD HUNTING AND FISHING" is the title of the new publication released by the U. S. Department of Agriculture, Soil Conservation Service. Copies are available at the Soil Conservation Service office, P. O. Box 555, Lake Zurich, Illinois 60047.
